

EVERYTHING YOU LOVE ABOUT SMALL SHIP SAILING. JUST MORE OF IT.

EXPERIENCE OUR \$250 MILLION
TRANSFORMATION OF THE ALL-SUITE
STAR PLUS CLASS YACHTS.

WINDSTAR®
CRUISES
180° FROM ORDINARY®

MORE OF WHAT YOU LOVE.

WHEN OUR GUESTS TELL US they want more of what they love on Windstar, we take it as seriously as Captain's orders. That's why we have transformed *Star Breeze*, *Star Legend* and *Star Pride* into Star Plus Class all-suite yachts. So you get even more ocean view suites starting at a generous 277 square feet to choose from, more delight on deck, and more to explore on board.

You'll love our beautiful new teak sundecks and iconic, cascading pools, 50 new impeccably designed suites, gorgeous new bathrooms in *all* suites, and exciting menus at our new dining venues. There are also improvements behind the scenes that will help our crew serve you even better and make our Star Plus Class all-suite yachts more environmentally friendly than ever.

Although they have undergone a bow to stern re-imagination, our Star Plus Class all-suite yachts serve just 312 guests and will continue to call at some of the world's smallest and most interesting ports. And you'll still enjoy the intimate environment and highly personalized service that Windstar offers with our enviable ratio of crew to guests.

When you're ready to cruise, know that our Beyond Ordinary Care program offers hospital-grade protections, including HEPA Filters and UV-C irradiation within the air handling system and enhanced sanitation measures for all guest and crew areas to deliver a 180 degrees from ordinary experience (see page 6 for details).

"Our \$250 Million Star Plus Initiative was announced in 2018, and we're so excited to see that dream materialize. Guests will be able to enjoy a re-imagined small ship cruise experience—one that combines added spaciousness with enhanced amenities designed to make every voyage even more delightful."

INTRODUCING THE BEYOND ORDINARY CARE PROGRAM

HERE AT WINDSTAR CRUISES, THE HEALTH AND SAFETY OF EVERYONE ON BOARD IS A TOP PRIORITY. We are making a multi-million dollar investment in our fleet to provide a healthy environment while sailing on a Windstar yacht. We are connected to industry experts and following guidelines by the regulatory requirements in every area of the world we sail. Our team is implementing additional technologies that go beyond these requirements including hospital grade high-efficiency particulate (HEPA) filters paired with a UV-C air zapping process (ultraviolet germicidal irradiation) proven to kill coronaviruses, along with other microbes like mold, bacteria and fungi as part of our new Beyond Ordinary Care program. In addition, vaccinations will be required of all guests and crew.

Windstar has partnered with the epidemiology department at the University of Colorado's Anschutz Medical Center to investigate appropriate layers of protection to create a safer experience for guests on Windstar's yachts.

We update our program frequently based on the latest guidance. Visit [WindstarCruises.com/Health-Safety](https://www.windstarcruises.com/Health-Safety) or call 877-553-1437 for updates and details.

LIFE ON BOARD JUST GOT EVEN BETTER.

WORLD SPA
BY WINDSTAR

OUR NEW WORLD SPA BY WINDSTAR BRINGS THE WORLD TO YOU.

Travel can be therapeutic. Especially at our new *World Spa by Windstar*, where therapies both reflect and deepen your travel experience.

Our beautiful new spa perfectly complements the world ashore with a collection of wellness adventures and treatments featuring locally sourced ingredients – exclusively tailored to each itinerary.

Travel to the Far East for natural healing remedies developed over centuries. Discover healing muds from the banks of Alaskan glaciers, and flora and fauna that beautify in French Polynesia. Our therapists are your guides to the nature and nurture at each port of call, treating you to time-honored therapies from cultures worldwide.

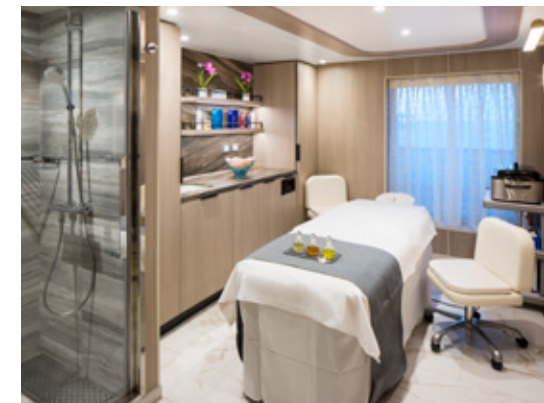

In between yoga classes and your rosemary and thyme massage, work off stress in our new fitness center and motion studio. Whatever you need, whatever you want, you'll find it in our destination-inspired experiences from across the globe.

SOAK IT ALL IN.

While other cruise lines might use a transformation as an opportunity to add a few water slides, we chose to enhance your experience of the sea and sky with a gorgeous elevated pool and whirlpool. We've expanded the sundeck so you have more room to sunbathe and relax.

Ah bliss! There's more sun and more swimming waiting for you.

“I’ve spent my life traveling the world’s barbecue trail to find the ultimate in global grilling. What better way to share my discoveries than on a menu that focuses on innovative barbecue worldwide?”

STAR GRILL

BY STEVEN RAICHLEN

THE MOST INVENTIVE, MODERN GRILL AT SEA.

GRILLED. SMOKED. SLOW-ROASTED ON THE ROTISSERIE. You can tell a lot about a culture by the way it grills. You’ll find all your traditional grilled and barbecued favorites (and discover new dishes from around the globe) at *Star Grill by Steven Raichlen* – our new casual outdoor restaurant brought to you in partnership with the man who reinvented barbecue.

For Raichlen, a multi-award-winning writer, lecturer, and international TV host, barbecue isn’t a pastime, it’s a calling. The founder of Barbecue University and Barbecue Hall of Famer hosts the popular *Project Fire* and *Project Smoke* shows on Public Television. His 31 books – many of them *New York Times* bestsellers – have won five James Beard Awards, three International Association of Culinary Professionals’ / Julia Child Awards, and have been translated into 17 languages.

Now you can taste for yourself where Raichlen’s curiosity for world barbecue takes him. Just steps away from the popular *Star Bar*, the *Star Grill by Steven Raichlen* offers alfresco dining with seating for 95, with two carving stations. Experience traditional and world barbecue with a modern twist, from maple sriracha chicken wings to Danish smoked shrimp, from Hill Country brisket to lemongrass pork – or on sea days, enjoy a mid-morning Frühschoppen with artisanal grilled sausage and pretzel rolls. Served with a sea view!

ART OF SPANISH CUISINE. MASTERED ON BOARD.

YOU WON'T HAVE TO travel any further than Deck 6 to find a little bit (or bite) of Spain with our new specialty restaurant, *Cuadro 44 by Anthony Sasso*. A 13-year veteran of Casa Mono in New York City, where he earned the restaurant a Michelin star 10 times, and an alumni of Windstar's culinary-themed cruise program, Sasso knows his way around the kitchen and the galley. His newest creation is an inventive take on modern Spanish cuisine just for Windstar.

Savor flavors of Spanish local culture as you dine family style in intimate surroundings that encourage sharing and camaraderie. Sit at a cozy chef's counter or communal table and pass around regional dishes like *jamon iberico* (24-month aged pork leg raised solely on acorns), or a favorite dessert of Madrid, *churros y chocolate*, cinnamon and sugar fritters served with spicy hot chocolate and fresh seasonal fruit.

It's a delicious way to experience the best coastal regions of Spain – no matter where your Windstar cruise is headed.

"I've spent a lifetime studying Spanish food and culture, working in several Catalan kitchens, traveling the Iberian landscape and learning from and getting inspired by the masters: everyone from the Roca Brothers of El Celler de Can Roca to the unmatched Pablo Picasso. This new venture with Windstar will be the perfect vehicle to showcase the universally enticing flavors of Spain and its coastal seas. I'm extremely excited and honored to be involved with this innovative company."

One of the world's natural wonders, Geirangerfjord and Sognefjord are stunning from every angle — from the top of Lysefjord's anvil-shaped Pulpit Rock, from the Flam Railway as it winds through the mountains and past waterfalls high above Aurlandsfjord, and from the fjords themselves as you cruise on your boutique ship.

YOU'RE CLOSER THAN EVER.

NO ONE ELSE GOES SO FAR TO GET TRAVELERS SO CLOSE.

You're closer to secluded coves, tiny villages, misty fjords. To ancient ruins, medieval alleyways, quaint marinas. To unspoiled beaches, unfamiliar cultures, undiscovered atolls. To enlivening your curiosity and awakening your sense of wonder. You're closer than ever to the kind of unforgettable and local experiences that you travel to find in the first place. You're about to board Windstar. And you're closer to all the places that larger ships can't reach.

MEMORABLE? YES.

RECOGNIZABLE? PROBABLY NOT.

We scour the world for amazing places just this side of unreachable, then seek out the most authentic ways for guests to experience them — in small groups that are easily absorbed by local cultures rather than intruding on them. Our itineraries are port intensive, often with exclusive landfalls larger ships can't access. And we often stay late into the evening or even overnight in places where neon dims the stars. Come. We can't wait to show you what we've found.

WE LEAVE ORDINARY EXCURSIONS TO OTHER CRUISE LINES.

THE BEST EXCURSIONS ON LAND, BROUGHT TO YOU BY THE BEST AT SEA.
With over 2,000 excursions and counting, you'll see the destination as only Windstar can show you!

Cap De Formentor, Palma de Mallorca

YACHTS MAKE THE DIFFERENCE.

Our yachts go where big cruise ships can't, docking directly at city harbors as well as the world's smallest exotic ports, such as Portovenere, a tiny town on the Italian Riviera, from which you can explore Cinque Terra, or tiny Lemnos Island, Greece's best-kept secret where an ancient castle overlooks a quaint fishing village.

Fewer guests means that your journeys on shore are more intimate and personal. And because we can stay longer in many ports, you're not rushed back on board. You have the time and space to explore and immerse yourself in the local culture — all with the help of one-of-a-kind experiences that enrich your senses, change your viewpoint, and check off your bucket list.

PERSONAL EXPERIENCES, DESIGNED HANDS-ON.

Windstar is the leader in award-winning shore excursions for a reason — our team. Whether you're

exploring Alaskan glaciers by helicopter, digging into the history of Istanbul, or exploring a family-owned olive orchard in Sorrento, each experience is personally designed and run by the most seasoned veterans in the industry to help you get closer to the local people and customs, the seldom-seen sights and local haunts, and the region's favorite dishes. We want you to feel more like a local, less like a tourist.

WITH OVER FIVE DECADES OF COMBINED EXPERIENCE, OUR PRODUCT MANAGERS KNOW THEIR WAY AROUND ON LAND.

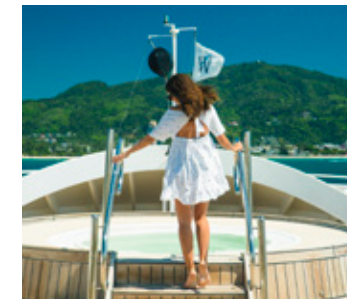

No cookie cutter tours here. Our philosophy is to plan excursions that are as unique as each destination, taking full advantage of the special geographical, cultural, and culinary attributes each city, village, island or coastal region has to offer. And that takes us personally getting to know each destination, trying out restaurants, seeking input from locals, experiencing secluded beaches.

WE ARE ALWAYS FINE-TUNING OUR EXCURSIONS, EVEN ACCOMPANYING GUESTS ON TOURS, making adjustments in real time, based on the wants and needs of our guests. Want to stop to admire a vista? Stay to learn more about an ancient castle? It's this attention to detail that makes all the difference.
