AT WINDSTAR NEW DISCOVERIES ARE OUR SPECIALTY

Just one of the many things we love about Windstar guests is their passion for exploring new places. In 2021–2022 we indulge that passion with an awe-inspiring lineup of fresh new itineraries, recently transformed ships, and exciting new Cruise Tours and Signature Expeditions.

WHAT'S NEW IN 2021-2022

SHIP-SHAPE SHIPS

The \$250 Million *Star Plus Initiative* will transform our three all-suite Star Class ships into Star Plus Class ships with new restaurants, new suite choices, gorgeous new bathrooms in all suites, and improvements behind the scenes that make our yachts even more environmentally friendly. On *Wind Surf*, look for stunning new venues including a new lounge, completely revamped *World Spa* by *Windstar* and a new Officer's Suite.

BLACK SEA AND MORE

Visit all six countries that border the Black Sea with two itineraries of 12 or 20 days. Enjoy scenic cruising in the Dardanelles, Corinth Canal and Bay of Kotor. Stay late in many ports of call, with overnights in Istanbul and Venice. And enjoy an eclectic mix of medieval towns, rural Black Sea villages, and ancient Greek and Ottoman wonders.

HOLY LANDS

Discover the Holy Lands on two itineraries of 10 or 17 days, taking in pilgrimage sites, pyramids, museums and more. Overnight in Haifa with time to view the Baha'i Gardens, a UNESCO World Heritage Site. And choose from overland journeys to Jerusalem, Cairo and the Egyptian Pyramids, and Petra and the Dead Sea.

SOUTH PACIFIC

The South Pacific's scattered island nations bring to mind the breathtaking beaches and peacock-colored lagoons of Tahiti, but they also contain the most diverse indigenous cultures on earth. Travel beyond the usual destinations to experience a world few get to see: small and less-familiar ports of call like the tiny island nation of Niue; Celukan Bawang, and tiny Pantara Island at the outerfringes of Indonesia's Thousand Islands.

CLOSE TO HOME

If traveling on long-haul flights isn't in the cards for you, we're also offering some convenient departures for U.S. East and West Coast sailings, including a new California cruise departing roundtrip from San Diego. For marine wildlife, there's no place like the nearby Sea of Cortez with its massive whale sharks and sea lions. On the East Coast, the history of New England beckons with sleepy fishing villages and quaint boardwalks and the beaches of Miami and Key West offer warm waters and sunset celebrations.

CRUISE TOURS

You spoke and we listened! This season we're offering even more of our popular Cruise Tours which let you see the best of a region by both land and sea. The options are wide-ranging, from Alaska's Denali National Park to Meteora, Langjokull Ice Tunnels to wine tastings in the famed Douro Valley.

YOU'RE CLOSER THAN EVER

NO ONE ELSE GOES SO FAR TO GET TRAVELERS SO CLOSE

You're closer to secluded coves, tiny villages, misty fjords. To ancient ruins, medieval alleyways, quaint marinas. To unspoiled beaches, unfamiliar cultures, undiscovered atolls. To enlivening your curiosity and awakening your sense of wonder. You're closer than ever to the kind of unforgettable and local experiences that you travel to find in the first place. You're about to board Windstar. And you're closer to all the places that larger ships can't reach.

MEMORABLE? YES. RECOGNIZABLE? PROBABLY NOT.

We scour the world for amazing places just this side of unreachable, then seek out the most authentic ways for guests to experience them — in small groups that are easily absorbed by local cultures rather than intruding on them. Our itineraries are port intensive, often with exclusive landfalls larger ships can't access. And we often stay late into the evening or even overnight in places where neon dims the stars. Come. We can't wait to show you what we've found.

PERFECTLY SIZED

HARDLY A CRUISE FOR EVERYONE, BUT LIKELY THE CRUISE FOR YOU

Banish cliché, toss aside regimen, steer clear of stuffy. Our perfectly sized yachts make it possible to flip the script on cruising. Free yourself from crowds and indulge all your senses, especially your sense of awe. Experience cultures in ways that are personal and authentic, with the power to change your perspective. With 148–342 guests, a Windstar yacht is large enough to pamper, yet small enough to explore secluded coves and docks in the heart of charming villages, sparkling cities, and remote islands.

Wind Spirit in Tahiti

BEYOND THE REACH OF ORDINARY

The undeveloped beauty of Alaska's Tracy Arm Fjord, Little Bay on Montserrat, Isla Parida in Panama. The spectacular Pitons in St. Lucia, the delicate green and brown mantle of Iceland's Surtsey Island, the diver's paradise at Fakarava. Medieval alleyways of Monemvasia. These are the hidden wonders, unique ports of call, and less-traveled waterways that Windstar's elegant yachts can find, and the source of memories that will stay with you forever.

NOT JUST DIFFERENT, BETTER

WE GO OUT OF OUR WAY TO FIND OUT-OF-THE-WAY PLACES TO GO.

It's easy to build an itinerary made up of tried-and-true ports of call. It's not so easy to find smaller, less-visited ports of call – places out of the limelight where locals go to vacation, where authentic food and traditions take the place of tourist fare, and where you can still find deserted beaches and bustling markets filled with unfamiliar produce and colorful characters. We're always looking for hidden gems like these. If we fall in love with them, we figure there's a good chance you will too.

ITINERARIES THAT ARE BUILT FROM FEET-ON-THE-GROUND UP.

We do things a little differently at Windstar, because we can. Windstar's itinerary planners pour over guest feedback surveys, and meet with our extremely knowledgeable captains and tour operators to find out what guests want and where we might find it. Then they pack their bags and do first-hand research on the ground so they can create an itinerary with just the right mix of late nights and overnights in marquee cities and days in ports off the beaten path where the possibilities are wide open.

BEYOND SIGHTSEEING

Award-winning shore excursions that show you the destination unlike anyone else – designed by a team that’s been there and done that already.

PREPARE TO BE SURPRISED

Yes, our yachts are beautiful, but their real beauty lies in how close they can get you to the kind of authentic, immersive experiences you’re looking for. Have dinner with a Croatian family in their village home, and see what life is like from a local perspective. Snorkel with whale sharks off the coast of La Paz. Get closer with a kayak launched directly from the ship on one of our Signature Expeditions in Alaska. Our carefully curated onboard lecturers deepen and enhance your experiences with an insider’s look at intriguing local topics. Get closer to each destination through the best small ports and hidden harbors, for access to different cultures and far-off lands.

NOT EXACTLY YOUR TYPICAL EXCURSION

Unless you think an excursion to see goats in trees is typical, our shore excursions are incomparable, once-in-a-lifetime adventures. We’ll help you select shore experiences that are suited to you, from certified SCUBA dives and rejuvenating baths in volcanic springs, to archaeological wonders and regional wine tastings. Small group excursions can take you to meet locals eager to share their homes, cuisines, and cultures. It’s an unparalleled way to experience other lands and see the world from a new perspective.

BEHIND EVERY ITINERARY

KELLY HUBBARD

As Director of Product Development Kelly’s focus is a global one, overseeing all shore excursions, destination engagements, enrichment, and pre- and post-cruise operations. When it comes to shore excursions, she’s tasked with ensuring our tour program is not simply “off the shelf” but is more hand curated. As Kelly puts it, “It’s important for our guests to understand that our tour experiences are created and tweaked just for them.”

MICHELE HANSON

Michele has over 15 years’ experience in the cruise and travel industry with a focus on product development and itinerary planning. She travels throughout Alaska, Northern Europe, Canada & New England, and the Caribbean looking for the most unique and authentic tours — like a night-time kayaking experience in Puerto Rico’s bioluminescent bay or a helicopter fjord adventure in Norway.

MELISSA WITSOE

Product Manager Melissa Witsoe is our resident expert on the Mediterranean and the South Pacific. With more than 22 years of experience in the cruise and travel industry and a background that includes operations, sales and itinerary planning, she knows what appeals to today’s traveler. Some of her favorite excursion finds include a gourmet experience in Sorrento, Italy, and a Chianti cruise tour in Rome. “As Product Managers we eat, tour, and travel with our local contacts to see what they don’t see because it’s part of their everyday life.”

TRAVIS LAMARCHE

Travis is our Operations Manager & Corporate Destination Manager Trainer — a big title that basically means he supports our Destination Team at sea and our Product Managers in Seattle. It’s a role he’s well trained for with a decade of experience at sea and almost 15 years of experience in the industry in a variety of areas from product development to public speaking. He’s a good listener, too. “My favorite part of my job is meeting and talking to guests, hearing why they love sailing with Windstar, and listening to their stories about past experiences and adventures.”

TRUE AUTHENTICITY

GET TO THE HEART OF LOCAL CULTURES WITH WINDSTAR'S SHORE EXCURSIONS

You don't want to just dip a toe in local culture, you want to dive into the deep end, and that's exactly what Windstar shore excursions are designed to do. All of our excursions are created to provide authentic local experiences – the kind travelers like you are looking for. And with more than 2,000 excursions to choose from, you can experience your destination in whatever way is most meaningful to you, whether you're an outdoor enthusiast, a foodie, a history buff or someone who loves to get to know the faces behind the many places we travel.

We will never put a guest on a tour we haven't personally designed or curated.

~Kelly Hubbard, Director of Product Development

WE MAKE SURE THE HOT SPRINGS ARE HOT AND THE PINOT GRIGIO IS CHILLED

How do we find these authentic experiences, you ask? Our Product Development Team travels to each destination and personally goes on each shore excursion to make sure it makes the grade. (So yes, that Open Course Canopy Challenge in Falmouth Harbour, Antigua? They went on that.)

And because we travel in small groups, we can adjust tours in real time based on guest feedback, whether that means finding a different place for lunch or spending more time at a particularly fascinating historical site. We take the time and make the trip because we want your travels to be unforgettable.

4 REASONS TO CHOOSE WINDSTAR SHORE EXCURSIONS

- 1. Immersion in regional culture.** Local guides reveal insider highlights, and smaller groups – like our Signature Expeditions in Alaska – let you skip the crowds.
- 2. Private tours available.** You can choose a private English-speaking guide and vehicle, and design your own, unique tour.
- 3. Safety and convenience.** Every Windstar excursion coordinates with your ship's schedule and is fully insured, licensed, and bonded.
- 4. Quality.** Our guests consistently rate their shore excursion experiences as excellent.

JUST WHAT YOU'RE LOOKING FOR

IF WE CAN, WE DO

MAKING A DIFFERENCE ONE DETAIL AT A TIME

Of all the things that make Windstar 180 degrees from ordinary, the most exceptional may be our crew. To them, hospitality is not just a job, it's a calling, and the more you enjoy your voyage, the more they enjoy serving you. They notice things others might not – your affection for turn-down chocolates, for instance, resulting in extra sweets magically appearing on your pillow. And they'll be delighted to direct you to their favorite restaurants, beaches, and shops ashore so you can make the most of your time in port. It's a talent that can't be taught, because it comes straight from the heart.

Ondeck Service

THE SECRET TO GREAT SERVICE IS HAVING A GREAT CREW

“What I like best about my job is that every night, I have the opportunity to make someone’s evening even more special. That could be seating a couple at their favorite table that I remember from their last cruise, having the Chef bake their favorite cake on their birthday, or taking pictures of their anniversary celebration. Seeing them happy is almost addictive — it makes me want to come up with even more creative ways to make our guests’ experiences unforgettable.”
~ Hubert Baudat, Maître d’hôtel

“When my guests leave their room, I like to slip in, refresh the fruit platter, and have everything in perfect shape before they get back from their excursion or dinner. It makes me feel like I have a superpower — like the magic broom in *The Sorcerer’s Apprentice*. I also enjoy talking with them about ports, especially when we visit Jakarta, Indonesia, my hometown. I love to share my favorite places and show them why it’s such a special place.” ~ Helda Simatupang, Stateroom Steward

“It’s so nice that on a ship this size I can get to know our guests personally, and find ways to tailor the experience to them. They reward me every day just by smiling at small gestures I don’t think twice about, like cautioning them to wear sunscreen or checking to make sure their luggage made it to their room. It’s even better when I can spend more time with them, like hosting a dinner. They’re often surprised when they sail with us again later on and I still remember their names ... and often their favorite cocktails!” ~ Iulian Petrasuc, Hotel General Manager

“Who wouldn’t love getting to work on beautiful ships like these every day? Our guests aren’t just our customers, they’re great people — avid travelers and adventurers who are really interesting to talk to. I really enjoy our Open Bridge and having the chance to chat with them. Most other ships would never let guests do that. An added bonus — I get to learn even more about the world by listening to our guests’ travel adventures.” ~ Belinda Bennett, Captain

FREEDOM TO EXPLORE

WE DON'T BELIEVE IN KILLING TIME

That's why we don't have jam-packed onboard programs filled with bingo and black jack tournaments. Instead, visit local markets with our Chef. Drop by the Open Bridge for an impromptu lesson in chart reading. Share bottles of wine and stories with the couple sitting next to you in *Candles*. Listen to live music in the Lounge. Jump directly off the yacht from our Watersports Platform. And most of all, do more of the things you want to do when you travel.

WINDSTAR FAMILY

On a small ship, it's a more intimate group, so it's no surprise that you're able to build friendships that last a lifetime. It's something Windstar is known for — part of the warm, welcoming atmosphere you'll find on board all our ships. Laugh your

way through the crew show. Join a conga line with the Captain. And discover common ground with fellow guests as you share travel adventures in the Lounge or encounter them on excursions time and again.

OUR SECRET RECIPE

YOU DIDN'T COME ALL THIS WAY FOR THE BURGERS

Discover the essence of Tahiti's pure waters in fresh ahi tuna, St. Lucia's laid-back lifestyle in conch fritters, the terroir of Tuscany in delicious prosciutto. No matter what destination calls your name, the local culture is deliciously reflected in the meals you enjoy on your Windstar ship. Fresh, local ingredients – often selected by your ship's chef on a trip to the local market – go into each perfectly presented dish. It's just one more way we help you devour local life and community, and whet your appetite for travel.

MEET WINDSTAR'S OWN STAR CHEF

A native of Scotland, award-winning chef Graeme Cockburn has enjoyed an illustrious career including formative training at Scotland's world-famous The Gleneagles Hotel, the Royal Scotsman train, London's exclusive Boodles private club, and the Pompadour Restaurant in Edinburgh, which was named top restaurant of Scotland during Cockburn's tenure. He has also trained with Michelin-awarded chefs including Michel Roux, London; Michel Guerard, South of France; and at the Hotel De Crillon, Paris. He was invited to present at the prestigious Beard House in 2017.

FABULOUS MEALS DESERVE FABULOUS WINES

Peter Tobler, Windstar's Director of Hotel Operations, put his over 30 years of hospitality, travel, and cruise experience to work curating Windstar's wine list, with a goal of including a variety of profile preferences, price points, and regions. The robust menu features 93 wines from 46 regions and 10 countries, including selections

from exotic regions such as Argentina and Australia.

Our collection includes diverse and intriguing wines from both traditional European and New World regions. ~Peter Tobler

A MOST DELICIOUS PAIRING

FINE DINING HAS ALWAYS BEEN ONE OF THE PILLARS OF THE WINDSTAR EXPERIENCE.

We've taken that talent and expertise one step further by partnering with the James Beard Foundation to bring you culinary experiences that are truly 180 degrees from ordinary. Now guests can dine on dishes created by not just one celebrity chef, but by a list of all-stars recognized by the James Beard Foundation, an organization committed to celebrating, nurturing and honoring chefs and other leaders making America's food culture more delicious, diverse and sustainable for everyone. This partnership also extends beyond the dining room to a wide range of culinary events and activities that help guests connect more intimately with local cultures.

The James Beard Foundation nominates and chooses winners of the James Beard Awards, referred to as the "Oscars" of the restaurant industry. As the *Official Cruise Line of the James Beard Foundation*, we're able to work with some of the best chefs to create the extraordinary dishes on our nightly menu and in our culinary demos. Nearly three dozen chefs have sailed with us on our culinary-themed cruises.

LEARN ABOUT THEIR CUISINE

Pesto sauce originated in Genoa in the 16th century and has become a staple of Italian cuisine. The preparation is key to its flavor as the basil must be ground and not crushed. Try your hand at making this traditional sauce the authentic way as we bring aboard an expert Ligurian chef.

LEARN HOW THEY TELL STORIES

The Naa Kahidi Dancers of Sitka, Alaska, are comprised of indigenous members from various Tlingit dance groups. Watch them perform storytelling songs and dances that have been passed down through generations, then enjoy a photo opportunity with the costumed dancers.

LEARN THEIR ANCIENT ARTS

Learn to make your own lei, given as a symbol of hospitality and welcome when you arrive in Tahiti. Listen to a tattoo master explain the traditional process of determining the design for a tattoo and what it meant to mark his body.

WAVE AFTER WAVE OF ROMANCE

THEY CAME IN OUTRIGGER CANOES not knowing what lay ahead. Steering by sun, moon, and stars, they arrived in these far-flung islands and developed cultures that continue to astound. Fijians who walk on fire. The soaring *grande case* huts of New Caledonia's Kanaks. Huahine's stone fish traps still in use after hundreds of years. They pushed on further still – to remote islands in the Tuamotus where copra and pearl farming are still a way of life, to Rarotonga, the source of Maori culture, and to Vanuatu, the last place on earth reached by humans. Feel the tingle of kava on your lips and realize these cultures are so much deeper and richer than you ever imagined.

FEATURED PORTS:

Fakarava Biosphere Reserve

Here is a rare opportunity to experience one of earth’s most beautiful – and most remote – places. Fakarava’s ecosystem is so diverse it has been named a UNESCO Biosphere Reserve, a world of magnificent cauliflower coral, sleek grey sharks, and neon schools of tropical fish. On shore, bougainvillea-lined roads lead past historic lighthouses, and small villages host bright coral

churches, small pensions, and boulangeries. And with only 800 residents, most of them pearl and copra (coconut) farmers, you’ll find plenty of secluded beaches you can call your own.

FEATURED SHORE EXCURSIONS:

Tahaa: Tahaa Vanilla Plantation & Snorkeling

Flower-shaped Tahaa snuggles up to Raiatea like the dot on an exclamation point, a flower-shaped island that’s as fragrant as it is beautiful. Often called “the vanilla island,” Tahaa produces 80 percent of all Tahitian vanilla in a labor-intensive process that will make you appreciate all the more its delicious aromatic flavor. Boat across the lagoon to a small

family plantation and learn how it’s done, from hand-pollinating the orchid blossoms (which only live for 6 hours) to hand-massaging and aging the beans – a process that can take up to 9 months.

Moorea: Photographer’s Eye View of Moorea

Believed to have been the inspiration for James Michener’s *Bali Hai*, Moorea’s scenery is some of the most striking in French Polynesia. And today, you’ll learn how

to capture that beauty under the tutelage of an accomplished professional photographer. Journey into the stunning interior by 4x4 and on foot, skirting large pineapple fields, beautiful gardens and a turquoise-blue lagoon. Some of your favorite shots may come from some unusual places, like Papetoai fishing village, Haapiti Catholic Church, or the interior of Moorea Crater.

UNCOMMON INDONESIA

BALI TO SINGAPORE (or reverse) : 12* or 14 DAYS

Semarang, Indonesia

Sure, this Indonesian island hop features plenty of amazing sights and natural wonders — everything from Pantara Island's unspoiled beaches to the UNESCO-designated temple complex of Borobudur. Yet what really sets the region apart is its people, says Steve Simao who, as a boy, often interacted with Indonesian crewmembers during family cruises. "Even then I realized there was something unique about their service — friendly, heartfelt, and quite genuine," he recalls. "So the opportunity to explore their homeland, now with Windstar's

own crew, makes this itinerary truly special."

You'll encounter plenty of warm, welcoming smiles among the master carvers and batik makers on Bali, vendors hawking satay in Lembar, and members of the ethnic Tengger community on Java. The island also is home to Mount Bromo — one of four active volcanoes you'll witness, along with Mount Batur on Bali, Lombok's Gunung Rinjani, and the famous Krakatoa. Celukan Bawang's black-sand Lovina Beach and the biodiverse reef system surrounding

Pulau Menyawakan are perfect spots for complimentary snorkeling and kayaking off *Wind Spirit's* Watersports Platform before arriving in Singapore. An overnight allows time to experience its Botanic Gardens — a UNESCO World Heritage Site — and famous hawkers stalls to get a taste of the world's most prominent street food scene. Steve's go-to: *char kway teow*, a popular stir-fried noodle dish. "Noshing on a bowl amidst the city's buzz," he says, "you'll feel just like a local."

IF I WERE THERE ...

- Test your bartering skills while shopping for ornate wood carvings and other crafts in **Bali** — "Make an opening bid around a quarter of the asking price, then settle for around half. Don't feel awkward; it's expected!"
- Do more shopping in **Singapore** — Steve suggests heading to Haji Lane, "a quaint street filled with small cafés, unique boutiques, and traditional shophouses ... it's quite a contrast to upscale Orchard Road and the Singapore of *Crazy Rich Asians*"
- Explore the UNESCO World Heritage Site of **Borobudur**,

the world's largest Buddhist temple complex — "Wear comfortable shoes so you can climb to the top of the main temple for incredible photos of the 72 stupas."

- Get an up-close peek of Mount Bromo, an active volcano near **Probolinggo** — "You'll ride a donkey to the volcano's base, then climb stairs to the rim of the crater for a true once-in-a-lifetime experience!"
- Interact with members of the native Sasak tribe during a village visit on **Lombok** — "Fascinating insight into this colorful and musical culture."

MEET STEVE:

STEVE SIMAO

Vice President of Sales

Steve Simao proudly proclaimed his intentions to work in the cruise industry at the tender age of 14 while disembarking his first voyage. For the past 25 years he's done just that, serving as chief purser for Norwegian Cruise Line before rising to the top of the sales ranks at Seabourn and Holland America. He now oversees all sales for Windstar's worldwide network, which continues to fuel his passion for travel on the high seas. Steve's connection to Indonesia is fueled by another passion: He and his wife (who is of Indonesian descent) were married there, dressed in traditional garb, nearly a quarter-century ago. He regularly visits family in the region, and speaks fluent Bahasa Indonesia.

French Polynesia is known as one of the best places to dive in the world. The water is a warm 79 to 84°F year round, and thanks to visibility of up to 150 feet, you'll enjoy amazing views of coral, wrecks, and sea life. Windstar has curated shore excursions that will give you the best of underwater Tahiti.

BEGINNING SCUBA: This program is for the guest who wants to experience SCUBA diving for the first time, or for the guest with no dive certification. Receive plenty of personal attention to help you feel at ease with the equipment before heading out to sea to enjoy an easy ocean dive perfect for beginners. All equipment is provided.

ONE- OR TWO-TANK DIVES: Certified Divers looking to explore the South Pacific's amazing underwater world can choose either a one- or two-tank dive. Choices include wall dives, lagoon dives, canyon dives, and even wreck dives.

SPOILED BY UNSPOILED BEAUTY

FOLLOW SILENT DEER PATHS through lush coastal forest, find rivers churning with spawning salmon, and spot mountain goats perched precariously on mountain ledges the size of a quarter. Go where cities give way to tiny native villages and close-knit frontier communities. Cruise the cliff-walled fjords of Prince William Sound listening for the “white thunder” of glaciers calving into nutrient-rich water, and idle off Point Adolphus watching humpback whales breach. From the lush island scenery of the Inside Passage to the wildlife-rich wilderness of Denali National Park, this is the Alaska you came to see.

Tracy Arm, Alaska

HEART OF THE WILDERNESS

“Cruise up Tracy Arm through a frozen world of glaciers and ice carvings. Then see what the landscape looks like once the ice is gone as you make your way up Misty Fjords with its blanket of emerald trees and pine-scented air. Our Signature Expeditions get you closer, traveling into the wilderness by foot, kayak, or Zodiac.”

~ James Anderson-Smith, Destination Manager

BRING ALASKA’S WILD BEAUTY INTO FOCUS as you discover small towns and big cities, cruise far up narrow fjords to the twin Sawyer Glaciers or Dawes Glacier, and launch Zodiacs right from the ship into pristine wilderness on Windstar Signature Expeditions. Our ships get you closer to scenic shorelines along the Inside Passage, Kenai Fjords and wildlife-rich Inian Islands, and spend more time in Prince William Sound. And when it comes to Native Alaskan culture, in addition to your opportunities ashore at places like Anchorage’s Alaska Native Heritage Center and Ketchikan’s Saxman Native Village, we’ll bring native dancers on board for an exclusive performance.

WHY WINDSTAR’S ALASKA:

- Enjoy close-up views of emerald coastlines, glaciers, and waterfalls in the Canadian Inside Passage, Kenai Fjords, Misty Fjords, and either Tracy Arm or Endicott Arm
 - Visit small and less-visited ports of call like Petersburg, Wrangell, and Haines
- Get closer to the twin Sawyer Glaciers on our small ship, which can navigate further before the narrowing of the fjord forces us to turn around
 - Launch a kayak or Zodiac straight from the ship in remote
- places like Misty Fjords and Kenai Fjords where excursions aren’t usually offered

 - In Alaska, travel with eight Expedition Guides with expertise in various disciplines, who lead guided tours and are available throughout your
- cruise to answer any questions you may have

 - Spend 3 days in Prince William Sound, more than most cruise lines, to savor its tidewater glaciers and watch whales feeding

FEATURED PORTS:

Kenai Fjords, Alaska
Alaska’s smallest national park holds some of Alaska’s biggest natural wonders – nearly 40 glaciers that flow from the massive Harding Icefield. Very few cruise lines go here but on Windstar’s *Star Breeze* you’ll enjoy a full day of scenic cruising. The towering walls of rock and lush forests that line the fjords are breathtaking, but the ice face itself is even more so, regularly calving icebergs the size of

small houses. Wildlife along the way might range from brown bears and mountain goats to sea lions and whales, and with Windstar’s exclusive Signature Expeditions, you can see it all up close by kayak or Zodiac.

Wrangell, Alaska
With only about 2,000 residents, Wrangell is one of Alaska’s smaller communities. You won’t find big ships or fancy gift shops here, but you will find bald eagles in

the cottonwoods, a colorful history that includes a guest appearance by Wyatt Earp, and a rare and authentic frontier charm. Spend the day discovering totem poles and Tlingit history at Chief Shakes Island, or wander Petroglyph Beach pondering the meaning of the 8,000-year-old rock art. Or, if you’re feeling adventurous, watch wild bears fish the river for spawning salmon.

Petersburg, Alaska

FEATURED SHORE EXCURSIONS:

Juneau: Taku Glacier & Airboat Adventure
Alaska is awesome from any angle, but it’s especially amazing from the sky. Flying high above Juneau in your helicopter it’s all laid out like a quilt below you: The green velvet of Tongass National Forest, the white Juneau Ice Field, blue Gastineau Channel and Taku River. Landing at Taku Point, board a covered airboat for an exhilarating ride

along the edge of Taku Glacier within an arm’s reach of the ice. Then it’s back to your helicopter for an effortless climb and landing on top of the glacier.

Petersburg: LeConte Glacier by Jet Boat
The face of LeConte Glacier is so massive (up to 1,200 feet) it advances and breaks off huge blocks of ice that either tumble into the ocean or shoot up from below, cluttering the bay of the

fjord with icebergs and bergy bits. You’ll often see harbor seals hauled out on the larger pieces of floating ice. Forest is reclaiming much of the land the retreating glacier has relinquished, but you’ll notice the closer you get to the face the more raw and bare the land appears. Watch for humpback and orca whales in these fertile waters, and Dall sheep on the surrounding cliffs.

GET CLOSER TO THE LAST FRONTIER

SIGNATURE EXPEDITIONS BRING ALASKA TO LIFE

Imagine seeing the Great Land as John Muir saw it, from ground and sea level, not looking down on it from several stories high (or from miles away).

And while other cruise lines bring speakers on board for a day, you'll enjoy the company of eight onboard experts for the full length of your voyage. You can casually ask questions and visit with these authorities on marine biology, botany, history, glaciology, and more whenever your curiosity is aroused.

In addition to scheduled presentations and getting to know our guests' interests better, they lead small groups on hikes and on expeditions by kayak and Zodiac — sometimes launching straight from our ship in remote places like Misty Fjords and College Fjord where this type of excursion is rare and requires guests to go ashore first.

That's the intimate and engaging experience you get on a Windstar Signature Expedition.

PORTS FEATURING SIGNATURE EXPEDITIONS

MISTY FJORDS

Cruise up Misty Fjords past where the big cruise ships turn around, then launch a Zodiac or kayak straight from the ship to explore even further — to hidden coves and along cliffs streaked by glacier-fed waterfalls.

KENAI FJORDS

Step from the ship to a kayak or Zodiac and glide past ice debris from the Harding Ice Field, keeping an eye out for calving tidewater glaciers, harbor seals, black bears, bald eagles, and puffins.

COLLEGE FJORD

College Fjord contains five tidewater glaciers, five large valley glaciers, and dozens of smaller glaciers. Zodiacs and kayaks can easily explore the stunning scenery, and you may even spot a humpback whale or two.

WRANGELL

John Muir hiked here while using Wrangell as headquarters for his Stikine Delta explorations. Your interpretive walk offers a truly immersive forest experience with excellent views of the surrounding mountains, town, and waterways below.

TRACY ARM/ ENDICOTT ARM

Depending on the route, navigate in front of the South Sawyer Glacier or Dawes Glacier by Zodiac or kayak. Both glaciers are actively calving. Watch for harbor seals hauled out on ice floes and mountain goats high on the cliffs above.

ICY BAY

Remote Icy Bay features Tsaa Fjord, formed by the retreat of the Guyot, Yahtse, and Tyndall Glaciers over the past 100 years. Breathe in landscapes of unspeakable beauty, enhanced by magnificent views over the Saint Elias Mountains, visible in the background.

WE COULDN'T HAVE SAID IT BETTER ...

"Not only was the expedition staff great with their lectures and knowledge of glaciers, bears, whales, seals, sea lions and everything else that roams Alaska, they were really great fellow travelers who enjoyed the cruise as much as the paying passengers ... Riding on a Zodiac while seeing mountain goats as ice floated by from a calving glacier was a total thrill!"

~ SB44 on Cruise Critic

"The best part of the trip was the Windstar Signature Expeditions departing from the ship's marina. We chose the Zodiac experiences instead of the kayak ones. Misty Fjords, Endicott Arm (Dawes Glacier), Kenai Fjords (Aialik Glacier). Simon was a great guide on these, pointing out wildlife and natural features."

After a scenic drive to Denali National Park, get a taste of old-time Alaska at Alaska Cabin Nite Dinner Theater, complete with an all-you-can-eat salmon and barbecue ribs dinner.

(Includes overnight at Denali Lodge, breakfast, reception and dinner)

Spend a full 7 or 8 hours in the park famous for its wildlife, searching for moose, Dall sheep, caribou, grizzlies, and wolves. If you have energy to spare, finish the day with an ATV, zipline or horseback adventure.

(Includes overnight at Denali Lodge, breakfast, lunch and a snack)

Day 4 • Denali National Park to Talkeetna

Board your deluxe domed train for a scenic ride to the quaint village of Talkeetna at the foot of Denali. Settle into your hotel, then listen to colorful tales of the area’s history before your Farewell Dinner.

(Includes overnight at Talkeetna Hotel, breakfast, lunch and dinner)

Day 5 • Talkeetna to Anchorage to Seward

The Seward Highway is one of the most breathtaking routes in Alaska, following along Turnagain Arm and through the Kenai Mountains. Pause in Anchorage for a visit to the Anchorage Museum before finishing the drive to *Star Breeze*.

(Includes breakfast and then all meals onboard *Star Breeze*)

DAY 6 • Scenic Cruising Kenai Fjords National Park, Alaska

Appreciate the small size of *Star Breeze* all the more as we navigate the breathtaking waters of Kenai Fjords National Park — a place where larger ships can’t follow. Watch from the comfort of your suite or stand at the rail as one magnificent scene follows another, listening as fellow guests call out sightings of sea lions, puffins, and whales.

Day 7 • At Sea

Day 8 • Sitka, Alaska

This humble port city was once the capital of Russian America. In fact, back when San Francisco had fewer than ten residents, Sitka was a boomtown of 800. Explore the Russian and Tlingit cultures that influenced its growth and capture an iconic photo of the Russian Orthodox Church, or head to the Alaska Raptor Center for a close-up look at bald eagles and other birds of prey.

Day 9 • Scenic Cruising Tracy Arm or Endicott Arm, Alaska

Today you’ll have the opportunity to see tidewater glaciers up close and personal on a Zodiac tour, a kayak expedition, or cruising in the comfort of *Star Breeze*. At Tracy Arm we follow the ice to its source up the 30-mile-long fjord to twin Sawyer Glaciers to watch enormous slabs of ice calve off the glacier’s face. When ice makes the route impassable, we cruise the wider Endicott Arm to Dawes Glacier.

Day 10 • Haines, Alaska

This quaint little town on North America’s longest fjord borders 20 million acres of protected wilderness. Outdoor adventures are obviously high on the list here, from kayak and raft trips to photo safaris. But you can also pass a very pleasant day just strolling the streets, meeting the locals, and browsing shops filled with Native Tlingit arts and crafts.

Day 11 • Juneau, Alaska

Alaska’s isolated capital city hugs the shore of Gastineau Channel with breathtaking scenery and glaciers all around. Of the 30-some glaciers in the Juneau Ice Field, only one — Taku Glacier — is still advancing. Fly over it in a helicopter, then land to peer down into a crevasse and taste the purity of glacial streams.

Day 12 • Wrangell, Alaska

Bears, petroglyphs, and totem poles just scratch the surface of Wrangell’s attractions. Hike to Rainbow Falls, go fishing, or visit the local museum to learn about the town’s unique claim to fame as the only Alaskan city to have existed under four nations — the Stikine Tlingits, Russia, Great Britain, and the United States.

Day 13 • Scenic Cruising Misty Fjords, Alaska

Cruise past all the big ships’ shore excursion boats in the comfort of the intimate and nimble *Star Breeze*. Enjoy a drink, a bite, or stretch out in your suite. You’ll know this is definitely the way to see Misty Fjords. Want to power your very own vessel to see the sights? Take a kayak trek for the paddle of a lifetime.

Day 14 • Ketchikan, Alaska

The waterway hums with float planes, and boardwalks, colorful stilted buildings, and a profusion of steep wooden staircases inviting you to explore. The town stretches 31 miles along the coast but is never more than 10 blocks wide, squeezed to the shore by the steep hillsides. You’ll find plenty to do within just a few minutes of the pier, from Dolly’s House Museum in a former bordello on Creek Street to Saxman Native Village with its totem poles and native dances.

Day 15 • Scenic Cruising Canadian Inside Passage

There’s a reason this region is so popular with yachtsmen. You could spend years exploring this archipelago and never discover all the hidden coves, secluded villages, and magnificent landscapes. Sunset is a special time as the light turns the passage red and silver.

Day 16 • Vancouver, BC, Canada

The city that began as a frontier fur trading post is now a bustling metropolis with an almost unfair boon of jawdropping natural beauty and thriving culture. Take it all in on your way to Canada Place Cruise Terminal.

 - All transfers to and from Denali National Park
 - Entrance fee and bus tour of Denali National Park
 - Deluxe domed train ride from Denali National Park
- Guided riverboat cruise up the scenic Chena River in Fairbanks
 - Admission to the Anchorage Museum
 - 11-day cruise aboard *Star Breeze* from Seward to Vancouver

Day 1 • Fairbanks

You’re in the heart of Alaska now, just 198 miles from the Arctic Circle. Meet your Alaskan Guide at the airport and check in to your hotel. If you’re still feeling energetic, stretch your legs along the scenic Chena River Walk or take a self-guided tour of the historic downtown.

(Includes overnight at Fairbanks Hotel)

Day 2 • Fairbanks to Denali National Park

Alaska’s frontier comes to life during your 3-hour *Riverboat Discovery* cruise as you explore an Athabascan village and meet hard-working sled dogs at an Iditarod kennel. Discover a bit of luxury in the wilderness when you reach Denali National Park, sipping cocktails at a Welcome Reception and dining on all-you-can eat salmon and barbecue ribs. A live show at Alaska Cabin Nite Dinner Theater rounds out the evening.

(Includes overnight at Denali Lodge, breakfast, reception and dinner)

Day 3 • Denali National Park

You’re booked on the most coveted wildlife tour in Denali – the 7- to 8-hour Tundra Wilderness Tour. Keep an eye out for Alaska’s Big Five wildlife, from gawky moose and caribou to death-defying Dall sheep, elusive wolves and grizzly bears. Return to the lodge with enough daylight left for an optional adventure.

(Includes overnight at Denali Lodge, breakfast, lunch and a snack)

Day 4 • Denali National Park to Talkeetna

Enjoy the perfect perch for observing Alaskan scenery as you ride a deluxe domed train from Denali to Talkeetna, the town that inspired “Northern Exposure.” Upon arrival, a local speaker fills you in on the town’s colorful past before you adjourn to the Farewell Dinner.

(Includes overnight at Talkeetna Hotel, breakfast, lunch and dinner)

Day 5 • Talkeetna to Anchorage to Seward to Board Your Ship

Three thrills are on the docket for today: a breathtaking motor coach journey from Talkeetna to Seward, a stop at the Anchorage Museum with its fascinating blend of Russian, Native, gold rush and pioneer history, and the pièce de résistance, the lovely *Star Breeze*.

(Includes breakfast and then all meals onboard Star Breeze)

Day 6 • Scenic Cruising College Fjord, Alaska

Welcome to College Fjord, boasting the largest collection of tidewater glaciers in the world as well as several valley glaciers. Unlike Glacier Bay the trees here are well established, adding a sense of scale that makes the massive rivers of ice even more impressive.

Day 7 • Valdez, Alaska

This small town (population 4, 000) is for small ships only, and odds are good that no one you know has been here. The area is known for its cascading waterfalls fed by Thompson Pass, the “snowiest place in Alaska,” but there’s plenty else to make the day pass quickly. Browse the quirky shops and restaurants along North Harbor Drive, explore the town’s two noteworthy museums, or relax as you watch the multitude of fishing boats bobbing in the harbor.

Day 8 • Scenic Cruising Icy Bay, Alaska

Formed in the last 100 years by the rapid retreat of Tyndall, Yagtse and Guyot Glaciers, Icy Bay is part of the vast Wrangell-Saint Elias Wilderness and a popular destination for kayaking. Enjoy this day of relaxing cruising and have your binoculars handy to look for wildlife.

Day 9 • Scenic Cruising Point Adolphus and Icy Strait Point (Hoonah), Alaska

Every summer humpback whales make the 3,000-mile journey from Hawaii to Alaska to feast on krill and schooling fish and one of the very best places to see them is off Point Adolphus. Humpbacks aren’t the only mammals attracted to these nutrient-rich waters, either. On an excursion from Icy Strait Point you can search for Alaskan coastal brown bears – the Spasski River valley is famous for having one of the highest densities of coastal brown bears in the world.

Day 10 • Scenic Cruising Tracy Arm or Endicott Arm, Alaska

Like a trail of bread crumbs we follow ice debris up Tracy Arm, a 30-mile-long fjord that terminates at the twin Sawyer Glaciers. If weather and ice conditions permit, we reach the terminus and watch an unforgettable show as enormous slabs of ice calve off the glacier’s face. If ice blocks our way, we’ll cruise the broader Endicott Arm where Dawes Glacier awaits.

Day 11 • Juneau, Alaska

Tiny Juneau is only reachable by air or sea – and odd circumstance for a state capital. But oh, what scenery! Whether you go whale watching in Gastineau Channel or soar over the Boundary Range and its glaciers by helicopter, there’s no “wrong” way to spend your day.

Day 12 • Petersburg, Alaska

Alaska’s Little Norway was founded more than 100 years ago by Norwegian fishermen and while it’s still a fishing town today, it’s a fishing town with a difference. The town still has a strong Norwegian identity and is surprisingly passionate about the arts. Walls are decorated with murals, sidewalks have decorative brass inlays, and traditional Norwegian rosemaling adorns windows, doors and shutters.

Day 13 • Wrangell, Alaska

An impressive collection of totem poles highlights the town and Chief Shakes Island – well worth the short walk over a foot bridge. Stroll up to Petroglyph Beach State Historic Park to see 1,000-year-old rock carvings or earn your bear badge at the Anan Wildlife Observatory where viewing platforms let you watch bears chow down on spawning salmon.

Day 14 • Ketchikan, Alaska

Take a walk down historic Creek Street – actually a wooden boardwalk – past former bordellos and above swirling salmon. Smell the fresh tang of cedar as Tlingit, Tsimshian and Haida artists carve totem poles and weave bark baskets at Saxman Native Village or kayak around Eagle Island with wildlife on all sides.

Day 15 • Scenic Cruising Canadian Inside Passage

Dense spruce forests and a labyrinth of hump-backed islands seem to merge and part magically as we round each bend. Aside from the beauty of the scenery, it’s entertaining to watch as life goes on – fishing boats fish, sailboats sail, orcas make the occasional appearance as they hunt for their dinner. Yours will be served hot with fine wine and good company.

Star Breeze: Jul 16, 19; 2021

WHAT’S INCLUDED

- 4 hotel stays – 1 night in Talkeetna, 2 nights in Denali and 1 night in Fairbanks
- Flight from Juneau to Anchorage or reverse
- Entrance fee and bus tour into Denali National Park
- Deluxe domed train ride
- Guided cruise on the scenic Chena River in Fairbanks
- Admission to the Anchorage Museum
- 7-day cruise from Vancouver to Juneau or reverse

Day 1 • Vancouver, BC, Canada

Meet your ship in Vancouver, a city that began as a frontier fur trading post but now possesses an almost unfair boon of jaw-dropping natural beauty and thriving culture. If you have time, take in attractions including Stanley Park, Gastown and Chinatown.

Day 2 • Scenic Cruising Canadian Inside Passage

The sheltering archipelago of Canada’s Inside Passage unfolds in layers of deep forest green on a sea the color of kelp and oyster. We twist and turn around undulating islands as you enjoy the passing scenery of centuries-old coastal rainforests, cascading waterfalls, bald eagles, orcas, and seals sunbathing on rocky shores.

Day 3 • Misty Fjords, Alaska

John Muir first viewed Misty Fjords by cedar canoe, comparing it to his beloved Yosemite. And today it looks much as it did back then, one of the last places on earth where you can explore vast swaths of rugged, remote area untouched by humans. With silt-blue lakes, silvery waterfalls, and snowcapped peaks, you’ll get a postcard picture literally everywhere you turn, depending on the weather of course. Get even closer on an optional Windstar Signature Expedition Zodiac tour.

Day 4 • Ketchikan, Alaska

Ketchikan is some 3 miles long but only a few blocks wide, squeezed between Tongass Narrows and the steep slopes of Deer Mountain. Colorful businesses occupy former bordellos along Creek Street – a historic wooden boardwalk – while salmon swirl in the creek below. A profusion of steep wooden staircases climb the hillsides like an Escher-esque painting, linking weathered, wooden homes and Nob Hill mansions. At either end of town you’ll find Tlingit and Haida culture from totem poles to clan houses and native dancers.

Day 5 • Sitka, Alaska

This humble port city was once the capital of Russian America, and was where the official transfer of Alaska took place in 1867. Explore the Russian and Tlingit cultures that influenced its growth, capture an iconic photo of the Russian Orthodox church, or head to the Alaska Raptor Center for a close-up look at bald eagles and other birds of prey.

Day 6 • Scenic Cruising Tracy Arm or Endicott Arm, Alaska

Follow ice debris up stunningly beautiful Tracy Arm, a fjord that terminates at the twin Sawyer Glaciers. Sheer mountain peaks loom above you and waterfalls stream off the rocky cliffs. Mountain goats look down from above and harbor seals with their pups watch from ice floes below. Our small ship is much more maneuverable than larger ships, giving us a better chance of reaching all the way up the passage. When weather and ice conditions permit, we’ll watch ice calve off the glacier’s face. If ice blocks Tracy Arm, we’ll cruise the broader Endicott Arm with similar scenery.

Day 7 • Haines, Alaska

Haines is one of the best places for hiking, fishing and wildlife viewing, especially bald eagles. See Fort William H. Seward, a nationally recognized historic landmark. Take in other cultural offerings in Haines including the Alaska Indian Arts Center where traditional craftsmen demonstrate their work, the Sheldon Museum & Cultural Center featuring local Tlingit people, the Hammer Museum, and the Tsirku Canning Company Museum with memories of Haines’ salmon canneries.

Day 8 • Juneau to Talkeetna

Juneau is only reachable by air or sea — an odd circumstance for a capital. One look at the 4,000-foot, glacier-draped peaks that surround the city explains why. Residents are blasé about the whales that cavort in Gastineau Channel, the glacier and rainforest in their own backyard, the “catch of the day” that really is. You, on the other hand, may be overwhelmed by possibilities that range from dogsledding to whale watching.

Say farewell to your ship and shipmates in Juneau and transfer to the airport for an included flight to Anchorage. When you arrive, board a comfortable motor coach for the drive to Talkeetna, the quirky town that inspired “Northern Exposure.” During a Welcome Reception, a local speaker will fill you in on the town’s unusual past, which includes having a cat as mayor for many years.

(Includes overnight at Talkeetna Hotel, flight to Anchorage, and reception.)

Day 9 • Talkeetna to Denali National Park

Alaska’s magnificent scenery unfolds from your deluxe domed train on the way to Denali. Tonight, get your bearings with a Welcome to Denali Talk, followed by an all-you-can-eat salmon and barbecue dinner and a show at the Alaska Cabin Nite Dinner Theater.

(Includes overnight at Denali Lodge, breakfast, Cabin Nite Dinner.)

Day 10 • Denali National Park

Denali is Alaska’s most popular land attraction and you’ll spend a full day at the park. Your Cruise Tour includes the most coveted wildlife tour in Denali – the 7- to 8-hour Tundra Wilderness Tour . Keep an eye out for Alaska’s Big Five wildlife, from gawky moose and caribou to death-defying Dall sheep, elusive wolves, and grizzly bears. Return to the lodge with enough daylight left for an optional adventure – maybe by ATV, zip line, or horseback .

(Includes overnight at Denali Lodge , breakfast, lunch and a snack.)

Day 11 • Denali to Fairbanks

Head north to the Golden Heart City of Fairbanks, just 198 miles from the Arctic Circle. Board the *Riverboat Discovery* and cruise the Chena River, stopping along the way to learn frontier living skills at an Athabascan Indian village, watch an Alaskan bush pilot use the river as a runway, and visit Iditarod champion Susan Butcher’s kennels. Recount your favorite experiences with friends over a delicious Farewell Dinner.

(Includes overnight at Fairbanks Hotel, breakfast and dinner.)

Day 12 • Fairbanks and Departure

Today is yours to explore as you will. Maybe you’ll pan for gold, or browse a goldmine of history at the Museum of the North before your flight home.

(Includes breakfast and transfer to airport.)

MEET MICHELE:

MICHELE HANSON

Manager

My background: "I have spent more than 20 years in the travel industry, focusing on itinerary planning and development." **What I do:** "You might say I'm a destination scout, always on the lookout for the most unique and authentic ways to immerse our guests in the local cultures." **Regions covered:** Alaska, Caribbean, Northern Europe, Iceland, Canada and New England, U.S. West Coast. **Daily mantra:** "I get to help create unforgettable travel experiences that enrich people's lives. Doesn't get any better than that."

PORTS OF CALL

Seward (Anchorage); Scenic Cruising College Fjord; Valdez; Scenic Cruising Icy Bay; Scenic Cruising Point Adolphus; Icy Strait Point; Scenic Cruising Tracy Arm or Endicott Arm; Juneau; Petersburg; Wrangell; Ketchikan; Scenic Cruising Canadian Inside Passage; Vancouver

DEPARTURE DATES

Star Breeze: Jul 5; Aug 10, 2021

One of Michele Hanson's favorite ways to experience the "true Alaska" is kayaking Endicott Arm: "The smell of the glaciers, the beauty of the blue ice ... you just feel so blessed to see it firsthand." Such intimate encounters are only possible on a small ship like *Star Breeze*, and one of the many reasons why Michele ranks this Windstar cruise among the best in the Great Land. Sure, she may be a little biased (okay, more than a little), but just consider that guests get to experience a variety of glaciers — College Fjord and Tracy — as well as seldom-visited Prince William Sound, all on one itinerary. Another benefit: Windstar is

able to tweak it in real time — so if, say, a pod of humpbacks is spotted bubble feeding in Point Adolphus, the Captain can maneuver the ship for prime viewing.

Windstar's Signature Expeditions staff is tops in the field, and the cruise line goes out of its way to expose guests to authentic Alaskan culture in tiny communities like Wrangell as well as onboard interactions with local speakers and performers. Some of Michele's all-time favorite travel memories are from calls on this journey: dog-sledding on Mendenhall Glacier, hiking Dewey Mountain, and of course, kayaking

Endicott or Tracy Arm. During her last paddle there, she says, "I couldn't get the smile off my face watching guests beam with happiness ... this is what small ship cruising is all about."

IF I WERE THERE ...

- Hop a helicopter for flightseeing over dozens of glaciers within the 1,500-square-mile **Juneau Ice Field** — Michele calls this the Pilots Choice tour, which features two landings for glacier hikes, "a pinnacle travel experience."
- Grab a jacket and join Windstar's Signature Expeditions team on deck while cruising **College Fjord**.

"You'll get great insights and photo opportunities."

- Board a jet boat in **Wrangell** for a ride along the Stikine River ("unbelievable fun and absolutely beautiful") or excursion to the Anan Wildlife Observatory — "Anan Creek has the largest pink salmon run in southeastern Alaska, so the bear viewing is excellent."

- Watch for whales while cruising **Point Adolphus**, "one of the best places in Alaska to see migrating humpbacks."
- Take a Zodiac right from the yacht and explore the remote wilderness with commentary from one of the onboard experts.

WINDSTAR TIPS EXPERT LEVEL

The Last Frontier is by definition a long way from civilization, so if you're going to make the trek to get here, take your Alaska journey to an even higher level by paying attention to these five simple tips.

CAPTURE THE MEMORIES. Take advantage of the uncrowded decks to shoot that once-in-a-lifetime shot of a whale breaching — something that's much easier to do without people bumping your elbow.

LEARN FROM THE EXPERTS. Add more meaning and context to your voyage as you learn about nature and Alaskan history from the eight full-time Expedition Experts on board to ask questions of on deck or to have conversations with over dinner.

PACK LIKE A PRO. Make your days on board and on shore more comfortable and productive by mastering the Northwest art of layering and by bringing the right gear for your outdoor adventures. If you're not sure what to bring check out the handy Alaska packing tips at windstarcruises.shiptoshoretraveler.com.

DON'T FORGET ABOUT DENALI. Denali National Park & Preserve is Alaska's most popular land attraction, and can be visited on our Cruise Tours. It's home to Denali (formerly Mount McKinley), the continent's highest peak, as well as Alaska's Big Five wildlife: moose, caribou, grizzly bears, Dall sheep, and wolves.

LOOK BEYOND THE CREATURE FEATURES. There's the native culture, and there are few things more thrilling than watching traditional Hoonah Tlingit dances or visiting with a Native Master Carver. And, there's the incredible fjord and glacier scenery, at its best in remote spots like Kenai Fjords, Misty Fjords, Tracy Arm, and Endicott Arm — places where our Signature Expedition excursions launch right from the ship.

"Perhaps my fondest memory of Napa Valley," says Peter Tobler, "is a hot-air balloon ride I took before meeting with some distinguished winemakers. Floating above the rolling vines at sunrise, I found the landscape as intoxicating as the wines." The self-professed fanatic rattles off a dozen or so favorite labels from celebrated vineyards in Napa and Sonoma, including Caymus Mer Soleil Chardonnay, Isabel Mondavi Rosé, and Jordan Cabernet Sauvignon. You'll have a chance to sample them all on this epicurean adventure, be it ashore or

ordering off Windstar's onboard wine menu that features other regional gems such as Sokol Blosser Pinot Noir from Oregon's Willamette Valley (which Peter lovingly terms "temperamental") and Pepper Bridge Winery Estate Cabernet Sauvignon.

Peter also raves about the "fresh, peppery, and herbal notes" of California's olive oils, which he ranks alongside the Mediterranean's finest. And don't even get him started on the West Coast's dynamic food scene, a reflection of the

region's "diversifying culture and integration of global flavors." There's Frisco's famous cioppino at Fisherman's Wharf, fresh-caught salmon and crab from the Puget Sound, Portland's doughnut obsession ("Blue Star and Voodoo have a long-standing battle for best maple bacon"), wild-caught Pacific sardines at Monterey's storied Cannery Row ... he could go on (and on), but thinks it's best that you taste them all yourself on this brag-worthy voyage.

MEET PETER:

PETER TOBLER
Director of Hotel Operations

Peter Tobler can easily extol the qualities of a fine Bordeaux blend or Petite Sirah, yet he's much too humble to tout his own many accomplishments. Like the fact that he's one of the most highly regarded professionals in the cruising world, having overseen food and beverage operations for such major lines as Norwegian, Seabourn, Princess, and Cunard. Or that he's a graduate of the esteemed Culinary Academy in Zurich and has won numerous awards, including the *Best Cruises for Food Lovers* distinction from Food & Wine magazine. Peter took the helm of hotel operations for the Windstar fleet in 2017, and suffice it to say that we're pleased as a wine-based punch to have him on board.

IF I WERE THERE ...

- Nosh your way through **Seattle's** historic Pike Place Market, a favorite spot for fresh Alaskan seafood, as well as artisan products from around the Northwest — "It's a great place to interact with the producers and fishermen"
- Check out **Portland's** hipster vibes and vibrant food truck scene ("thumbs up to the Seared Duck Breast and Wild Pacific Cod Chowder at the Wild North truck") — scenic cruising leaves time to also explore the staggeringly beautiful Columbia River Gorge
- Spend a full day in **San Francisco** for a foodie's foray through its Farmer's Market and myriad neighborhoods, including the oldest Chinatown in the Western Hemisphere: "Head straight to Yank Sing in the Rincon Center for dim sum!" — Another must-try: A signature Irish coffee at the iconic Buena Vista, just a short walk from where *Star Breeze* docks
- Taste your way through the pretty coastal city of **Monterey**, where you'll find everything from sustainable comfort fare ("order the bucatini pasta with smoked local sardines at The C Restaurant on Cannery Row") to haute cuisine — better still, sample them all on the optional Food and Wine Stroll excursion

ECHOES OF INDEPENDENCE

VIKINGS CROSSED THE LABRADOR SEA FROM GREENLAND to settle in L'Anse Aux Meadows. Centuries later, Portuguese fishermen, Basque whalers, French trappers, and English pilgrims would discover a Promised Land where nature nurtures both body and soul. Here, where the sun first kisses North America, Jacques Cartier found a place where "the scenery is indeed worth seeing and can't be properly described in words." The ravishing lighthouse-studded coast still inspires awe. Manna from the sea still delights palates. And small ships like ours still ply these waters with a freedom denied to larger ships.

"Canada & New England itineraries will not only let you have a glimpse of the glorious past, but will also take you to the most picturesque locations on the planet. Look back on the stories of the sailors who were aided by the lighthouse from a bygone era and be enchanted by the beauty and summer cottages of the Atlantic coast. Give yourself a little treat on your holiday, indulge in epicurean adventures, and ponder on noteworthy stories. I myself was enchanted once, and I can't wait to do it all over again – now, it is your time to bask in history and make heart-warming memories."

For a province known for some of North America's most spectacular scenery (think the Cabot Trail), it's quite something that Gaff Point hiking trail is recognized as one of Nova Scotia's best. GET YOUR FEET WET

"Zipline through the Costa Rican rainforest, chase four different species of monkeys, spot toucans, learn about one of the most amazing ecosystems on our planet. And as if that's not enough, discover the 8th Wonder of the World, the Panama Canal, one of the most spectacular and significant engineering achievements of the last century."

~ Kuba Rudolff, Destination Manager

Quepos, Costa Rica

SEE THE PANAMA CANAL FOR THE AMAZING ENGINEERING FEAT IT TRULY IS as you view the locks from below, rather than from above as you would on a large cruise ship. And get closer to the best wildlife-watching areas, like Bahia Drake where you'll take a Zodiac ashore to access Corcovado National Park. When you need a break from adventure (if you ever do), relax on uninhabited white beaches and snorkel stunning reefs in Windstar-exclusive destinations like Isla Parida.

WHY WINDSTAR'S CENTRAL AMERICA:

- Explore places few cruise lines go, like distant parts of the San Blas Islands and the beaches of Central America's Caribbean coast
- Get your feet wet as you wade ashore from the Zodiac (a "wet landing") onto deserted beaches and access remote wilderness areas
- Discover casual and quirky Key West — a town famous for sunsets, margaritas, and a cast of characters from Ernest Hemingway to Jimmy Buffett — on our new departures from Miami
- Spend a full day enjoying secluded Isla Parida during Windstar's Signature Beach Party — a catered Robinson Crusoe affair complete with an island bar, water toys, and a plentiful, mouthwatering buffet

FEATURED PORTS:

Isla Parida, Panama:
Windstar's Signature Beach Party
Located within a Nature Preserve of 50 islands, and part of Chiriqui Marine National Park, lovely Isla Parida boasts magnificent white-sand beaches and crystal-clear waters that stay at 82 degrees year round. This amazing tropical escape is yours to enjoy for the day during Windstar's Signature

Beach Party, complete with a delicious tropical feast. Spend time snorkeling or playing with water toys in the water, or explore inland where you'll find hardwood trees like teak, mahogany, and eucalyptus, and fruit trees like mango, banana, and coconut that offer shade and the occasional fresh snack.

Puerto Jimenez, Costa Rica
Sandwiched between the wild and beautiful coast and Corcovado National Park,

"Port Jim" is one of Costa Rica's most biodiverse areas. Rare birds like scarlet macaws, harpy eagles, and quetzals share the rainforest with land creatures like jaguars and ocelots, while offshore, humpback whales and dolphins play in the deep waters of Golfo Dulce. Kayak through the mangroves and estuaries watching for monkeys, caimans, butterflies and more, or simply relax on a perfect beach.

FEATURED SHORE EXCURSIONS:

Belize City: Belize Crystal Cave Tubing with Lunch
Belize is famous for its many limestone caves, which played a prominent role in Maya culture. Your small group of 8 will enjoy a private tour through some of these ceremonial chambers, your headlamp illuminating stalactites and stalagmites formed over the centuries and reflecting off of crystallized columns. Climb onto your tube

and enjoy the cool water as you float through a section of the cave surrounded by the echoes of the past. When you emerge, take time to swim and relax before sitting down to a mouth-watering Belizean lunch.

Quepos: Rainforest Extravaganza & Traditions
The small town of Esquipulas rests at the foot of high mountains, and this family owned private nature reserve protects both primary and secondary rainforest at the

mountains' base. Follow your naturalist guide along the trails as you learn about this fragile ecosystem, watching for toucans, hummingbirds, butterflies, monkeys and other rainforest residents. You'll also learn about Costa Rica's most important crop – coffee – observing the process from roasting to cup, followed by a hearty traditional Costa Rican casado lunch.

Day 2 • Transit Panama Canal, Panama

At nearly 51 miles long and connecting two oceans with a vast “highway of water,” the Panama Canal easily earns its reputation as the Eighth Wonder of the World. IN THE WAKE OF THE SPANISH ARMADAS

ARUBA TO COLÓN : 9 DAYS

Cartagena, Colombia

Captain Neil Broomhall fondly recalls his first visit to Central America and Bocas del Toro: "I was just 16 and working as a deckhand aboard a banana boat!" He instantly fell in love with Boca's gorgeous beaches, warm waters, Latin music, and easygoing lifestyle that is "such a different pace" from his home in Britain. (He remembers falling for a certain young girl there as well, but that's for another story.) The Captain also raves about Costa Rica's rainforest with "all the sights and sounds of its animals and birds — and lots of lizards!"

Cartagena's Old Town, a UNESCO World Heritage Site, is another favorite of Captain Neil, who says the colonial gem is "absolutely

amazing. The wood carvings inside Santa Domingo Cathedral are incredible, and a walk along the city walls makes for great exercise." Just beyond pastel-painted Oranjestad you'll find the monolithic Ayo Rock Formations, considered sacred by Aruba's ancient Arawak Indians; while a day in Santa Marta, Colombia's oldest city, leads to glittering displays in the Gold Museum and two UNESCO Biosphere Reserves. A final overnight in Colón allows time to explore Panama City's revitalized Old Quarter and the UNESCO-designated Fort San Lorenzo. Add a healthy dose of vitamin D from the tropical sun and, says Captain Neil, "this cruise is the perfect antidote to winter."

IF I WERE THERE ...

- Wander the narrow, cobblestoned streets inside colonial **Cartagena's** 400-year-old walls — "Between all the churches and restored mansions, you'll find plenty of vendors selling fresh fruit juices and ice-cold sliced pineapple, and try the marinated conch for lunch."
- See pre-Colombian artifacts in **Santa Marta's** Gold Museum, or head to the Sierra Nevada foothills to explore an ancient Tayrona settlement in the Tayrona Reserve — "You may even encounter some of Colombia's Kogi people, who descended from the Tayrona and still hold this site in reverence."

MEET CAPTAIN NEIL:

CAPTAIN NEIL BROOMHALL, MS, AFNI
Fleet Captain

Neil Broomhall knew there was a big world beyond the Norman castle ruins and half-timbered cottages of his home in Stafford, England, and he was determined to see it. He set off as a teen for a life at sea, starting as a deckhand aboard cargo ships and working his way up through the ranks to become first officer aboard Cunard's *Queen Elizabeth 2*. Captain Neil took command of his first ship at age 34, and mastered Swan Hellenic's *Minerva* before joining Windstar. An avid diver, he is also a skilled sailing and kayaking instructor, and is fascinated by global meteorology.

transit the Panama Canal — Captain Neil recommends a ride on the glass-domed train that runs alongside the canal, and climbing the Rainforest Discovery Center's 130-foot-high tower "for incredible views above the canopy."

LET YOUR SOUL DANCE

SHH. THERE ARE STILL SECRET PLACES here that the big ships pass by. Places where there's only one beach bar in sight, closed if the proprietor decides to go spear fishing. Your Windstar yacht has an uncanny ability to find places like this. Places where your day's activities are timed by the rumble of your stomach, the drowsiness following a good swim, an iridescent sunset that heralds "sailor's delight" on the morrow. But then, one glance at your itinerary already told you that.

THE AUTHENTIC CARIBBEAN

"People go to the Caribbean in search of fun in the sun, but what they find is a treasure chest full of different experiences to enjoy. From the influence of colonization by European nations, outdoor adventure for nature-lovers, to aquamarine waters of brilliantly colored fishes. Sailing the Caribbean Sea is the perfect way to discover the superb landscapes of the Caribbean islands. And make sure not to miss a beautiful sunset with sand between your toes and the famous painkiller drink in your hand."

~ Jona Pakingan, Destination Manager

IF YOU COULD DESIGN THE PERFECT ISLAND ITINERARY it would look a lot like these. Ports of call would include tiny towns and hidden harbors known only to private yachts and small ships like ours. Schedules would allow for dropping the Watersports Platform in turquoise bays and raising sails on the way to your next island rendezvous. And the laid-back island vibe would continue on board with a mouthwatering Signature Onboard Barbecue by the pool. Best of all, on every cruise there would be one day that was even more special than the rest, when you land on a secluded beach for Windstar's Signature Beach Party, elaborate buffet and watersports included.

FEATURED PORTS:

Les Saintes, Guadeloupe

We anchor just off Terre-de-Haut in one of the most beautiful bays in the world, while larger ships dock at Guadeloupe's main town of Pointe-a-Pitre and must take a ferry to Les Saintes. It's impossible to get lost in Terre-de-Haut, which has only one street, but there are still plenty of ways to spend your day. Pick up some fresh and fragrant baguettes for a picnic on the beach.

Visit with the Saintoise, said to have descended from French and Breton corsairs (pirates). Or climb to Fort Napoleon for incredible harbor views and a look at the exotic gardens.

NEW Cayman Brac, Cayman Islands

Tiny Cayman Brac's 2,000 residents are scattered in settlements too small to be called villages, but what it lacks in urban appeal it more than makes up for when it comes to nature. The island is home

to lush green forests, secluded beaches, and a plethora of caves that are rumored to hold the lost treasure of pirate Blackbeard. Search for endangered parrots at the Parrot Reserve. Go fishing for tuna, wahoo, mahi mahi and marlin. Or relax and enjoy the absence of crowds. It's your unique opportunity to explore an island reserved only for small ships like ours.

FEATURED SHORE EXCURSIONS:

Roseau: Cooking Caribbean Flavors & Lifestyles

Today is your opportunity to learn about Dominican cuisine, traditions, and lifestyles at a private home nestled in Roseau's tropical rainforest. Your hostess will introduce you to the herbs and fresh organic ingredients on the day's menu. Then, you can either choose to help prepare a local delicacy, spend your time viewing the mountains

or the Caribbean Sea, or stroll the property learning about fruits and spices. End the day by feasting on traditional Caribbean dishes and fruit cocktail blends made from delicious local produce.

Bonaire: Samur Sail Beach & Snorkel

Imagine yourself on a voyage through time when ships were not only transportation but also works of art. The Samur is an authentic Siamese Junk, hand carved with legends of fantasy

and ancient superstitions. You'll glide smoothly under her soaring red sails to the beach on the uninhabited island of Klein Bonaire. Here you can snorkel from the beach or participate in a guided drift snorkel along the outer edge of Ebo's Reef. Rum punch, fruit juice and tropical fruits wait for you on your return to the Samur.

Chief Operating Officer

Chris Prelog ensures that our cruises delight our guests, which actually covers a lot of things, including general operations, safety, guest experiences, and even ship maintenance. Originally from Austria, he started in the cruise industry in 1998 as an onboard assistant maitre d' hotel before becoming a VP at Seabourn and now our Chief Operating Officer at Windstar.

Favorite part of the job:
"Finding out what new and exciting puzzles we get to solve each day!"

PORTS OF CALL

DEPARTURE DATE

Wind Surf: Jan 8, 2022

While plotting the course for this grand voyage, Chris Prelog encouraged his Windstar team to push the limits. “A lot of guests want to do a longer itinerary right after the first of the year, get away to someplace nice and warm for the winter,” says the cruise line’s Chief Operating Officer. “This is an extended adventure they’ve never been able to have with Windstar before.”

And what an adventure it will be: 56 sun-kissed days, visiting 25 countries and 36 ports across the British Virgin Islands, Colombia, Panama, Costa Rica, Honduras, Mexico, and beyond, covering the full depth and breadth of the region — from tiny yachtsmen’s favorites to glitzy celebrity getaways, from historic colonial towns to the engineering marvel that is the

Panama Canal. “I love that this is a complete circumnavigation of the Caribbean Sea,” Chris says. “I don’t know of another cruise line doing that.” Guests can take full advantage of *Wind Surf’s* onboard Watersports Platform with plenty of late-evening departures, as well as overnights in Jost Van Dyke, Virgin Gorda, and St. Lucia’s Pigeon Island — while being among the first to enjoy the ship’s recent redesigned spa, one of many new enhancements. Chris is particularly excited about calls in Costa Maya and Cozumel, two locations that Windstar hasn’t visited in years: “Cruising into Costa Maya on the world’s largest sailing ship will be beyond spectacular.”

IF I WERE THERE ...

- Take a catamaran cruise to **St. Lucia’s** twin Pitons, a UNESCO World Heritage Site — “I highly recommend this cruise; the island’s west coast is stunning, and the Pitons are an absolute must-see.”
- Stroll the streets of pastel-painted UNESCO-designated **Willemstad**, or head into Curacao’s famous Hato Caves, where “sloping trails lead through the coral-limestone chambers past still pools and even a fresh-water waterfall — a rare sight on this dry island.”
- Explore a shipwreck while snorkeling the colorful reef off **Isla San Andres**, a UNESCO Biosphere Reserve.
- Take advantage of late departures in **St. Barts** to “enjoy a sunset sail, linger over dinner at Eden Rock, and check out the night life at Nikki Beach.”

ENCHANTMENT IS THIS CLOSE

A DIFFERENT SET OF RULES APPLIES in the Mediterranean. Time is measured in centuries, not minutes. Cities are shaped by sun and volcanoes. And the border between myth and reality fades like footprints on a Riviera beach. Surrounded by wonders like the Great Pyramids and Parthenon, Jerusalem and the Sistine Chapel, the Blue Mosque and the azure landscapes of Croatia, it's easy to believe there is something magical at work here. Something that kisses grapes and transforms them into divine wine, turns marble ruins to gold in the last light of day, and gifts you with a beautiful white ship to see it all.

"The jaw-dropping coastline, picture-perfect water, and delightful Old Towns of the French Riviera ... Monaco's glitzy backdrop for Formula One fans ... IN ALMOST EVERY MEDITERRANEAN PORT you'll find incredible history, to-die-for cuisine, exceptional art and architecture, and rich cultural traditions. The trick is getting the most out of your visit, and designing itineraries specifically to accomplish this is an area where Windstar excels. Our port-intensive itineraries are designed to show you both the big cities and more overlooked places – from authentic working-class towns where tourism is an afterthought to small ports favored by yachtsmen. And when we do visit major cities, our small ships dock closer to historic town centers. Late night and evening stays expand your time for exploration, and carefully crafted small-group excursions get right to the heart of local culture with insightful market tours, tastings, village and home visits, and more.

WHY WINDSTAR'S MEDITERRANEAN:

- Visit must-see ports and smaller yachting towns like Portofino and Sanary-sur-Mer
- Stay in key ports late into the evening or even overnight
- Dock closer to historic urban areas in Dubrovnik, Venice, Marseille, Barcelona, Málaga, Bordeaux, and Seville
- Take advantage of exclusive experiences like attending the Formula One Monaco Grand Prix in Monte Carlo or transiting the narrow Corinth Canal, too small for larger ships
- Enjoy an exclusive and complimentary onshore Destination Discovery Event on cruises to Kusadasi — dinner in the moonlight and a concert across from the Celsus Library in Ephesus
- Come along on our new itinerary to the Holy Land and Jerusalem — home to important holy sites for three of the world's religions

FEATURED PORTS:

Haifa, Israel
Haifa clings to the slopes of Mount Carmel overlooking a broad bay, a setting that has drawn comparisons with both San Francisco and Naples. The city does bear a passing resemblance, but along with beautiful Mediterranean beaches, a vibrant technology startup culture, and a lively nightlife, you'll find much more. This is home to the UNESCO-listed Baha'i Gardens, the largest hanging gardens in the world. A short

distance away lie Galilee, the Golan Heights, and Jerusalem. And since your ship stays overnight, you can access even more wonders including Masada and the Dead Sea, or the Lost City of Petra.

***NEW* Odessa, Ukraine**
Welcome to Russia's southern window on the world, founded in the late 18th century by Catherine the Great, a big fan of western culture. And indeed, with its French and Italian influence, it looks more

European than Soviet. Neoclassical buildings date back to Russia's gilded age, sharing the stage with Renaissance, Classical, and Art Nouveau styles. While you're here, enjoy the optical illusions of the historic Potemkin Steps. Stroll Primorsky Boulevard with grand old homes on one side, the sea on the other, and palaces at either end. Shop for a *shapky* (hat) or *pysanky* (Ukrainian Easter egg).

FEATURED SHORE EXCURSIONS:

Casablanca:
Magical Marrakech
Marrakech is the most exotic of the imperial cities of Morocco, a picturesque city surrounded by thousands of palm trees and backed by the snow-capped Atlas Mountains. Take a horse carriage from the Medina to the lovely and colorful Majorelle Gardens, designed by French artist Jacques Majorelle in a palette of bright Berber colors. Watch a folkloric performance over a Moroccan lunch, then head to Bahia Palace with its

magnificent Andalusian and Moorish architecture. End the day exploring the labyrinth of souks and Djemaa El Fna Square, where snake charmers and fortune tellers have been at work since the 11th century.

Giardini Naxos: Taormina & the Blue Grotto by Boat
Taormina is considered one of the most beautiful cities in Sicily, perched at the top of a cliff overlooking the Bay of Naxos and Mount Etna. Greeks and Romans also appreciated the view, as evidenced by the impressive Greco-Roman

theatre that is Taormina's iconic landmark. Like the town, the theatre dates back to the 3rd century B.C., and its acoustic qualities are so exceptional that it is still used for open-air concerts today. Afterwards, board a motorboat and glide into the fabled Blue Grotto sea cave with its other-worldly colors. Refresh yourself before returning to the ship with fresh almond cookies and a refreshing swim off Isla Bella.

DESTINATION DISCOVERY EVENT

KUSADASI: EVENING IN EPHEBUS

Join us for a complimentary moonlit dinner event and live concert at the Celsus Library in ancient Ephesus, Turkey.

Exclusively for Windstar

Delphi, Greece

Day 1 • Athens, Greece

Arrive in Athens, one of the world’s oldest cities, and settle into your room at the 5-star St. George Lycabettus Hotel. Nestled against the pine-forested slopes of Lycabettus Hill, the hotel offers breathtaking views of Athens, the Acropolis, and the Saronic Gulf. With the afternoon and evening at your leisure, you have time to peruse the shops of Kolonaki, an elegant neighborhood nearby that’s known for its museums and trendy boutiques.

(Includes overnight at St. George Lycabettus and transfer from airport.)

Day 2 • Delphi, Greece

We prophecy a busy day at Delphi, a place that once attracted people from all over who came to have their questions answered by the Oracle. The setting itself is spectacular, aside from the UNESCO World Heritage Site’s cultural significance. The ruins hug the hillside, with an incredible view of the mountains, valley, and nearby coast. See the Castalian Spring where worshippers purified themselves before visiting the Oracle, the Sacred Way, the Grand Temple of Apollo, the theater, and the well-preserved stadium, its marble starting blocks still in place. And don’t miss the magnificent bronze Charioteer at the Delphi Museum. After a delicious traditional Greek lunch, check into the Divani Meteora Hotel in the historical district of Kalambaka.

(Includes overnight at Divani Meteora, breakfast and lunch.)

Day 3 • Meteora, Greece

Monks and hermits have found refuge on Meteora’s sandstone rock pillars for centuries. The Greek Orthodox monasteries perched on the cliffs were originally accessed only by nets or wooden ladders, making them a perfect refuge from pirates and invaders. Today only about six monasteries remain, collectively listed as a World Heritage Site. Explore two that are now accessible by steps and bridges, shifting your gaze from the incredible monasteries to the amazing rock towers they cling to. After lunch, return to Athens and spend the evening at your leisure.

(Includes overnight at St. George Lycabettus, breakfast, and lunch.)

Day 4 • Acropolis & Piraeus, Greece

The Acropolis is one of the most famous archaeological sites in the world, and yet another UNESCO World Heritage Site. Climb the smooth marble steps to the Parthenon, a masterpiece of classical architecture. Admire the Temple of Athena Nike and the Porch of Maidens. Then enter the Acropolis Museum where you’ll find works of art including the Parthenon Frieze with its beautiful depiction of the festival of Athena. Turn your attention to a modern beauty as you head to the ship.

(Includes breakfast and transfer to ship.)

Day 5 • Mykonos, Greece

Visit Mykonos, a classic Greek isle with hundreds of white-washed churches and cubist houses, thatched windmills catching the breeze, and a harbor bobbing with fishing boats and luxury yachts. Sit in the shadow of a café as native fishermen and jet set Europeans pass by. Or head further afield on an optional tour of Delos, a UNESCO site and mythical birthplace of Apollo.

Day 6 • Kusadasi, Turkey

Kusadasi offers many historic sites, but Ephesus steals the show. Once an important trading stop along the Silk Road, its well-preserved ruins reflect what was once one of the most beautiful and advanced cities of the ancient world. Walk the marble-lined streets past the huge theater where St. Paul once preached, the gladiator’s graveyard, the incomparable facade of the Celsus Library. If you were wealthy, you might have lived in one of the grand terrace houses, their ornate frescoes and mosaics still shining.

Day 7 • Patmos, Greece

Inhale the scent of heather and pines on the sacred island where the Book of Revelation was said to have been written. Only smaller ships can dock here, while larger ships must anchor and tender into the port . This UNESCO World Heritage Site draws pilgrims to sites like the Cave of the Apocalypse and the Holy Monastery of the Apocalypse, while nature lovers flock to the beaches – some sand, some pebbled, and every color of the rainbow.

Day 8 • Santorini, Greece

Cruise into Santorini, a vision in whitewash, volcanic black, and a blue so distinctive it’s become known as “Santorini blue.” People of the Cyclades don’t simply like the color, they believe it keeps away evil, a job it must do extremely well as it’s hard to imagine a more sublime place. Catch iconic photos of traditional Greek windmills, and don’t miss the romantic village of Oia with its cave houses.

Day 9 • Monemvasia, Greece

Monemvasia is a place where only the determined go, or those with private ships. (Don’t be surprised if yours is the only one in the harbor.) The Gibraltar-like fortress is linked to the rest of the Peloponnese by a thin tendril of causeway that was once a drawbridge, restricting access to whoever currently occupied the rock. The town was home to some 50,000 back in its medieval heyday. Today, fewer than 100 live here full-time, in historic stone buildings covered with jasmine, oleander, and bougainvillea. Climb to the upper town and explore the citadel and Agia Sofia church. With no cars allowed, you can hear the cicadas singing and the sea breaking gently on the shore. Return to the lower town and sink into a welcome chair at a trattoria for a congratulatory sip of Malmsey, the sweet wine that originated here.

Day 10 • Nafplio, Greece

This charming seaside town is one of the most romantic cities in Greece. Enjoy the medieval old town with its narrow cobblestone alleys and neoclassical mansions. Take an optional tour to the UNESCO site of Epidaurus or the UNESCO site of Mycenea. Or stroll the Syntagma Square and take in the beauty of the Palamidi Castle with its 999 steps carved from the rocks.

Day 11 • Piraeus (Athens), Greece

Return to Athens, a city with 3,000 years of history where you can’t turn around without encountering the past.

DEPARTURE DATES

Star Legend: Jun 11, 2021

Wind Surf: Sep 21, 2021

Day 1 • Venice, Italy

From the elegant carved gondolas and vaporetti that ply the Grand Canal to the magnificent Piazza San Marco bustling with life — Venice is unique in all the world. Follow where your feet take you, over romantic bridges, to shops selling precious glass, to small cafés for a cappuccino or Campari.

Day 2 • Rovinj, Croatia

Rovinj used to be a tiny island until the channel was filled in during the 18th century. So while the red terracotta roofs now spill inland, the Old Town is tidily self-contained. Hints of Italy are everywhere — in the signs, in the language, in the cuisine — thanks to having spent more than 500 years under Venetian rule. Romantic, quaint, and captivating, it's Istria's most beloved town.

Day 3 • Split, Croatia

Roman Emperor Diocletian fell in love with this spot just as you will, building a retirement home whose bones still support the ancient city. People still live and work within the palace walls and in the historic buildings of nearby Trogir, both UNESCO World Heritage Sites. Rub the toe of the statue of Gregory of Nin for good luck and don't be surprised if the gregarious Croatians invite you to a game of *picigin*.

Day 4 • Dubrovnik, Croatia

Look at those towering city walls, wrapped around the Old Town like a protective arm. Wander pedestrian-only streets from one 14th century marvel to another. Isn't that view from the top of the wall incredible? The blue expanse of the Croatian Riviera in one direction, terracotta-covered history in the other. End the day at the Buza Café (if you can find it) watching bold divers leap off the cliffs into the sea.

Day 5 • Kotor, Montenegro

With its twisting byways, Byzantine architecture, and pitched mountains plummeting straight into the Adriatic Sea, the walled city of Kotor astonishes at every turn. Timeworn cobbled streets lead to gorgeous gardens, Venetian-style churches, and aristocratic mansions from days gone by. Admire the medieval beauty of St. Tryphon's Cathedral or watch a magical sunset from the Fortress of St. Ivan.

Day 6 • At Sea

Day 7 • Giardini Naxos (Taormina), Sicily, Italy

Giardini Naxos was Sicily's oldest Greek city, and in its day, it outshined nearby Taormina. Both live in the shadow of Mount Etna, a capricious neighbor who is prone to violent eruptions but also blesses the area with fertile soil. In the first century Pliny the Elder praised Taormina's wines, grown from grapes nourished by Mount Etna. Try some yourself as you peruse the irresistible beaches, medieval buildings, and an ancient Greek theater that's still used for performances.

FOR MORE INFORMATION, VISIT WINDSTARCRUISES.COM

Day 8 • Sorrento, Italy

Sorrento has plenty of history and pleasant piazzas filled with buskers and cafés, but it's hard to come here and not visit nearby Pompeii or Herculaneum, both frozen in time by the eruption of Mount Vesuvius in 79 A.D. While hot ashes consumed Pompeii's buildings, Herculaneum was covered in mud, preserving its marble floors, mosaics, and paintings for you to feast your eyes upon.

Day 9 • Disembark in Civitavecchia and Head to the Chianti Region

Disembark the ship and board your coach for your 2-hour trip to Tuscany. Arrive in Pienza, a beautiful hilltop village and spend the late morning taking a walking tour of the city followed by free time for lunch. Depart Pienza and head to the Banfi Castle for winetasting and free time to visit this beautiful place overlooking the Chianti region. You then are on your way to the luxurious Castello del Nero which was a home of a historic noble family, a 5-star mansion of refined elegance, for check in and some free time to enjoy the property followed by a sunset aperitif on the panoramic Ferrari Terrace and a 5-course Gala Dinner at Michelin Star "La Torre" restaurant.

(Includes overnight at Castello del Nero and dinner.)

Day 10 • In the Heart of Tuscany

Relax in the beautiful Tuscan atmosphere at the hotel with a late breakfast. Then it's off to San Gimignano for a self-guided tour and free time to explore. After enjoying this hilltop village, set off for a true Chianti farmhouse, Fattoria Poggio Alloro, and meet this friendly Italian family of cooks and wine makers. Enjoy a beautiful typical lunch of the Tuscan region. After lunch depart for Florence. Take a guided tour of Florence including a visit to the Academy with its stunning David. There will be free time for exploring Florence on your own and dinner. Drive to the Castello del Nero.

(Includes overnight at Castello del Nero, breakfast, and lunch.)

Day 11 • To Rome

Enjoy breakfast at your hotel and depart to Antinori nel Chianti Classico, the remarkable temple of wine built into the hill. Enjoy a unique experience of an emotional path through the architecture and the Tuscan flavors with a taste of five of the best Antinori wines. Continue your journey to Rome. Check in to the 5-star luxury Grand Hotel de la Minerve before an afternoon and evening to explore on your own.

(Includes breakfast, lunch, and overnight at Grand Hotel de la Minerve.)

Day 12 • Check out and Transfer

Breakfast is included and will be served at the hotel. Check out and transfer to the airport according to your flight schedule.

(Includes breakfast and airport transfer.)

Day 4 • At Sea

Day 5 • Dubrovnik, Croatia

While larger ships pass by, we anchor right beyond the famous city. The entire Old Town is a UNESCO World Heritage Site, and we’ll stay late into the evening so you can enjoy it all. Here, a copper-roofed cathedral. There, a fountain of masked faces spouting water. Discover a 14th century pharmacy tucked away in the Franciscan Monastery, still operating after 700 years with dusty medieval remedies still lining the shelves.

Day 6 • Kotor, Montenegro

The approach to Kotor offers one breathtaking fjord-like view after another. Just when you’ve reached your fill of blues and greens, the bright red rooftops of the medieval Old Town — a UNESCO World Heritage Site — come into view. The timeworn, cobbled streets remain car free, leading to 12th century Baroque palaces, Romanesque churches, gorgeous gardens, and aristocratic mansions from days gone by.

Day 7 • Split, Croatia

When Roman Emperor Diocletian decided to retire, he chose a spot that offered the best of both worlds — a beautifully scenic resort setting, and proximity to the urban pleasures of ancient Salona. The setting is still spectacular, and his palace, now a UNESCO site, is the fabric upon which the city grew. Beyond, you can go people-watching along Split’s popular Riva promenade, wander the pedestrian boulevard of Marmontova Street, or rub the toe of the statue of Gregory of Nin for good luck. Further afield, there’s dramatic Krka National Park with its spellbinding landscapes of gorges, lakes, and waterfalls.

Day 8 • Rovinj, Croatia

Rovinj used to be a tiny island until the channel was filled in during the 18th century, so while the red terracotta roofs now spill inland, the Old Town is tidily self-contained. Hints of Italy are everywhere — in the signs, in the language, in the cuisine — thanks to having spent more than 500 years under Venetian rule. Seek out nearby Pula, a UNESCO World Heritage Site known for its ancient Roman buildings. Or the resort town of Porec with its 6th century Euphrasian Basilica, yet another UNESCO World Heritage Site.

Day 9 • Venice, Italy

No other sea approach in the Adriatic raises goose bumps like Venice, where the entire city and its lagoon are a UNESCO World Heritage Site. Say farewell to your ship and follow your private tour guide to Palace Bonvecchiati, a 4-star hotel just a stone’s throw from St. Mark’s Square. The hotel has been welcoming guests since 1790, and offers an upscale boutique hotel experience with contemporary comforts. Spend the afternoon at your leisure before a guided walking tour of St. Mark’s Square and the Rialto area, the perfect place to enjoy an Aperitivo.

(Includes overnight at the Palace Bonvecchiati.)

Day 10 • Venice to Lake Como

Wake in the City of Love and greet the day with breakfast at the hotel before joining your guide for the drive to Verona – home of Romeo and Juliet, and part of Italy’s Veneto wine region, known for its quality wines. Spend some time at Cantina Mosconi Berta with its ancient 16th century cellars and splendid vineyard, and sample wines like the Amarone the winery was instrumental in creating . Then it’s off to the town of Cernobbio on Lake Como where you’ll find the 5-star Villa d’Este, located on the lake shore with its own private 25-acre gardens.

(Includes overnight at the Villa d’Este and breakfast)

Day 11 • Lake Como

After breakfast at the hotel, meet your guide for a private boat tour of Lake Como, a lake that’s been a popular retreat for aristocrats since Roman times. In Tremezzo, explore the beautiful gardens of Villa Carlotta. The Villa’s art collection and botanical gardens were an important stop on the European Grand Tour in the 17th and 18th centuries . Cross the lake to the village of Bellagio, considered the jewel of the lake. Located where the lake splits into two branches, the town climbs the hills in a series of alleyways and staircases lined with historic palaces and colorful shops. If the setting looks familiar, parts of the 2006 James Bond film *Casino Royale* were shot here, among other movies. Explore the town and dine at a restaurant overlooking the lake before returning by boat to Villa d’Este. Spend the evening as you wish.

(Includes overnight at the Villa d’Este, breakfast, and lunch)

Day 12 • Milan, Italy

Enjoy breakfast at the hotel on your last morning at Lake Como then transfer to the Malpensa Airport in Milan in time for your flight home.

(Includes breakfast and airport transfer.)

Coimbra, Portugal

Day 1 • Lisbon, Portugal

Arrive in the city that launched the Age of Discovery, one of Europe’s smallest capitals, and check into the 5-star Grand Altis Hotel. Elegant outdoor cafés line mosaic cobblestone sidewalks and turn-of-the-century funiculars climb the steep hills. Although two-thirds of the city was leveled in a 1755 earthquake, the past is all around.

(Includes overnight at the Grand Altis Hotel and transfer from airport.)

Day 2 • Lisbon – Fatima – Porto, Portugal

Follow your guide onto a bright-colored tram for a ride past the Old Quarter, then disembark to wander the medieval maze of Alfama that leads to St. George’s Castle. Lisbon’s past as a portal of discovery comes to life in Belém, where you’ll see UNESCO monuments like the Belém Tower and Jeronimos Monastery. Travel to Fatima for lunch and a visit to one of the most important Catholic shrines in the world, then to your 5-star hotel in Porto for some free time before a mouthwatering tapas dinner.

(Includes overnight at the Pestana Porto A Brasileira Hotel, breakfast, lunch, and dinner.)

Day 3 • Porto and Douro, Portugal

Start the day with a guided walk along Aliados Avenue, flanked by ornate buildings in styles from neoclassical to French Beaux-Arts. Experience the brilliant murals formed by thousands of blue and white azulejo tiles at the magnificent Sao Bento train station and in the dark, gothic cloisters of the 12th century Porto Cathedral. Afterwards, spend some free time in the lively Ribeira Quarter and lunch on your own. Relax and digest on a scenic drive through the terraced vineyards of the Douro Valley, a wine region so culturally significant that it’s been recognized by UNESCO. Take a traditional rabelo boat to a local port house to learn about and taste port wines, then drive to Régua, a major port-wine entrepôt in the 18th century, and check into the Quinta da Pacheca Wine Hotel, a former 18th century manor house overlooking vineyards on the banks of the Douro River.

(Includes overnight at the Quinta da Pacheca Wine Hotel, breakfast, and dinner.)

Day 4 • Douro, Coimbra, Sintra, Portugal

Drive to Coimbra, Portugal’s one-time medieval capital. It’s home to one of the world’s oldest universities, established in 1290 and a UNESCO World Heritage Site. Spend some time on your own before embarking on a fairytale journey, passing through a magical forest dripping with moss and arriving in the fantastic landscape of Sintra, a UNESCO World Heritage Site known for its Romantic architecture and gardens. Check into the Sintra Boutique Hotel and enjoy some free time in the village known for its historic palaces and castles.

(Includes overnight at the Sintra Boutique Hotel and breakfast.)

Day 5 • Pena Palace, Cascais, Lisbon, Portugal

Splendid Pena Palace is a whimsical mashup of eclectic architectural styles and vivid colors. Perched high on a hill, the palace’s 19th century Romanticism was the inspiration of King Ferdinand II, the Artist King. Afterwards, it’s off to Cascais, once the retreat of the Portuguese nobility, where you can explore the narrow maze of century-old streets. Drive back to Lisbon, stopping for some famous *pasteis de nata* (Portuguese egg custard tarts) on the way to the ship.

(Includes breakfast and transfer to ship.)

Day 6 • At Sea

Day 7 • Cádiz, Spain

Cádiz is the oldest city in Western Europe, filled with Moorish charm. Explore majestic palaces, sip fine sherry from a cellar in nearby Jerez, or climb the Tavira Tower – one of more than 100 remaining watchtowers once used to spot arriving ships – for a panoramic view of the city through the Camera Obscura.

Day 8 • Gibraltar, British Territory

“The Rock” hangs off the tip of the Iberian Peninsula, an odd bit of Britain at the toe of Spain. It’s been an important military base for more than 1,000 years, but its strategic importance isn’t its only claim to fame. Take a cable car to the Ape’s Den to visit with the famous Barbary monkeys, then on to the top where you can see two continents at once – Spain in Europe and Morocco in Africa.

Day 9 • Málaga, Spain

On the shores of Costa del Sol, the Andalusian spirit thrives. Ponder Picasso’s cubist inspiration as you view hills covered in sugar cube houses, and pay an optional visit to see the native son’s artistic genius at Museo Picasso Málaga. Or explore the beautiful village of Mijas, where the Mediterranean mountain climate produces some of the world’s best sweet wines.

Day 10 • Almeria (Granada), Spain

Enjoy a walking tour of this ancient city. (No vehicles are allowed within its walls.) Or head further afield to discover the lovely beaches of Cabo de Gata, or the magnificent UNESCO Alhambra Palace in Granada. Built in the 14th century, the Alhambra is a Moorish architectural masterpiece.

Day 11 • Cartagena, Spain

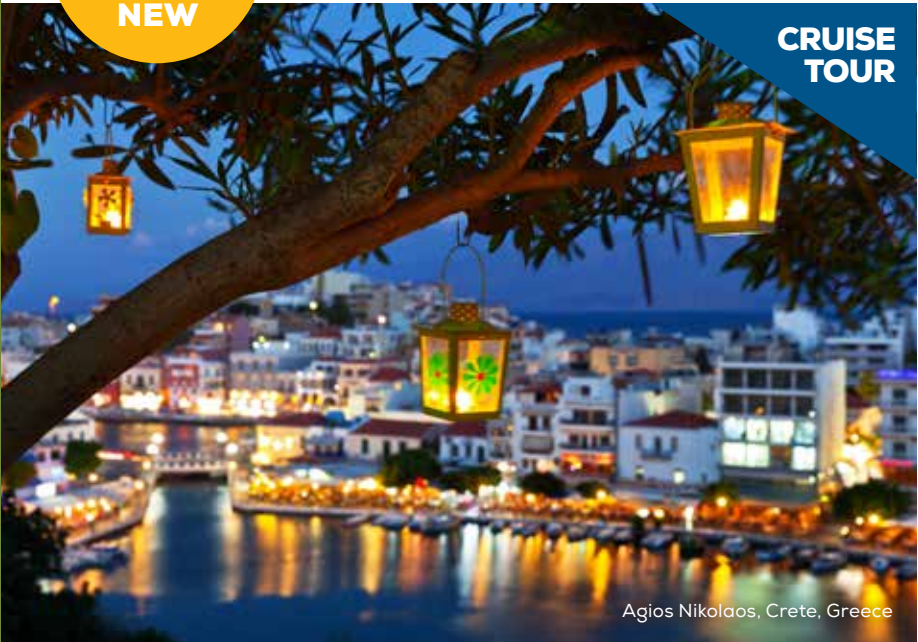

Founded in the 3rd century B.C., this city has lots to show you, from its 2,000-year-old Roman theater to stunning modernist and early 20th century art nouveau architecture. Check out the ruins of the medieval Castille de la Concepcion, and don’t miss the National Museum of Underwater Archaeology, full of interesting Mediterranean maritime discoveries.

Day 12 • Palma de Mallorca, Spain

Mallorca is steep, green, and fringed with enticing coves and more than 200 lush beaches. But all that natural beauty is just the beginning. Chopin and George Sand wintered nearby at the monastery in Valldemossa in 1838-9. Stroll along the tree-shaded Paseo de Born in search of tapas, watch the street performers on the piazza around the church, or cross the island to beautiful Soller.

Day 13 • Barcelona, Spain

Joan Miró, Salvador Dali, Pablo Picasso, and Antoni Gaudí have shaped the city in their Modernisme image, especially in the Gothic Quarter where the labyrinth of alleyways refuses to conform to grid-like regularity. Stroll Las Ramblas where street artists form human statues and perform capoeira. Watch castellers practice Catalonia’s native sport of human castle building in Poble Sec. Or sit at a trattoria and listen to the musical sound of Catalan, the native dialect.

ANTIQUITIES OF THE ADRIATIC & GREECE

VENICE TO ATHENS (or reverse☉) : 8 OR 9* DAYS

Dubrovnik, Croatia

Captain Pedro Pinto has sailed Croatia's coast "more times than I can recall," yet the run up to Dubrovnik always gives him goosebumps. Approaching its impressive walls, he says, "you understand why it's called the 'Pearl of the Adriatic.'" The red tile-roofed city is among the many culture- and history-rich seaports the *Wind Surf* master loves to visit on this itinerary, and just one of seven UNESCO World Heritage Sites that Windstar guests have the chance to explore. Athens' Acropolis leads to the Bronze Age excavations of Akrotiri on Santorini, while Corfu's strategic location at the entrance to the Adriatic — not to mention its dual fortifications and romantic Old Town — earned it a spot on the coveted list.

Monopoli offers its own charms, including easy access to Alberobello, known as "capital of the trulli" for its hundreds of tiny, beehive-shaped dwellings with domed roofs. Right off Komiza lies Biševo island and its iridescent Blue Grotto which, along with the rest of the Vis archipelago, was just

named a UNESCO Global Geopark. Plitvice Lakes National Park, designated a World Heritage Site for its chain of translucent, terraced lakes and waterfalls, is a leisurely drive from Zadar — although the *Wind Surf* master enjoys just "sitting along the waterfront, listening to its sea organ create music from the waves." UNESCO-designated Venice, one of Captain Pedro's all-time favorite cities, marks the end of a journey made all the more memorable by traveling aboard Windstar's flagship that, he says, "is really like a group of friends sailing one of the prettiest regions in the world."

MEET CAPTAIN PEDRO:
CAPTAIN PEDRO PINTO
Master, *Wind Surf*

From his earliest memories growing up in Estoril, says Pedro Pinto, "the sea absorbed every plan I ever had." He first attended the Portuguese Naval Academy, then decided to go into the commercial navy, where he worked his way up to chief officer on cargo vessels. A leap to cruise ships eventually led to his first command as captain of *MS Athena* in 2009; upon joining Windstar in 2014, he worked onboard *Wind Spirit* before taking the helm of *Wind Surf* in 2016. Captain Pedro's love of the sea is even central to his hobby and passion, scuba diving — although one of these days he hopes to learn how to play the Portuguese guitar.

Patmos, Greece

David Schoenberg describes Windstar's exclusive evening at Ephesus with vivid imagery. "Arriving after hours, with no tourists," he recalls, "we were left to explore the ancient Marble Road. Soon a beautiful voice echoed from the amphitheater — a fellow passenger testing the amazing acoustics. It was the perfect prelude to a fabulous dinner and concert in front of the Celsus Library, a setting which cannot be duplicated."

The complimentary Destination Discovery Event is just one of the magical moments you'll experience on what David calls "the quintessential Windstar cruise," a mix of bucket-list

destinations and charming little villages where only a ship the size of *Wind Star* can navigate. The romantic walled town of Monemvasia is one of his all-time favorites, as is bougainvillea-lined Nafplio. Visits to pastel-colored Ermoupoli and Agios Nikolaos, home to the Palace of Knossos with its fabled labyrinth, are rounded out with perennial favorites Santorini, Mykonos, Patmos, and Rhodes — each offering access to UNESCO World Heritage Sites. GREECE, ISRAEL & EGYPT: FOOTSTEPS OF FAITH IN THE HOLY LANDS
ATHENS TO ATHENS : 10 DAYS

Gus Puga feels it’s a privilege to sail on this Holy Lands itinerary, visiting ancient shores of “incalculable cultural value.” This region of the eastern Mediterranean is “the very cradle of civilization,” says the Windstar Cruise Consultant, “sparking an exhilarating sense of adventure.” Gus recalls riding a camel outside Cairo to one of Giza’s iconic pyramids, then venturing through a dark, narrow tunnel to its inner chamber. “That moment evoked all my childhood fantasies,” he enthuses. “I was living an Indiana Jones movie!”

Three full days in Israel offer the chance to explore Jerusalem, which also made a huge impact on the consultant. “It’s hard to describe the city’s exceptional energy, which transcends all cultures and religions,” he says, “a walk along the Via Dolorosa, which traces Jesus’ last steps, gave him “a real perspective of the passion of Christ.” Add numerous UNESCO World Heritage Sites — from Cyprus’s Neolithic dwellings at Khirakitia to the stunning Baha’i Gardens in Haifa – and Gus assures guests the trip of a lifetime, further enhanced by the newly transformed *Star Legend*: “There are great new features and extra space to make you feel right at home.”

IF I WERE THERE ...

- Take advantage of an overnight in **Haifa** to join Windstar’s immersive, 3-day overland expedition to Jerusalem, Masada, the Dead Sea, and magnificent Petra in Jordan, reuniting with your ship in Ashdod: “It’s quite simply the most comprehensive Holy Land experience possible.”
- Explore Cairo on an overnight from **Port Said** – “You stay at the historic Mena House Hotel, which enjoys views of the Pyramids.”
- Tour the Catacombs of Kom El Shoqafa in **Alexandria**, the largest Roman burial site in Egypt: “They’re absolutely fascinating.”

MEET GUS:
GUS PUGA
Onboard Cruise Consultant

Gus Puga grew up in Santiago, Chile, where his father practiced law and his mother taught art. “I got the best of both of them,” he boasts. Gus went on to study art history in New York, then returned to Santiago for law school. Right before the bar, he decided to take a break and travel. “That was 15 years ago, and I’m still traveling!” He’s been working in the cruise industry since 2005, first helping guests collect art and then assisting them with future cruises – a natural move, given that he’s explored every corner of the world, including the North Pole and Antarctica (twice). “I’ve done two world cruises, touched every continent, and visited everywhere from Alaska to Australia,” Gus says. We’re happy to have him on board.

Exclusively for Windstar

Katakolon, Greece

On the day that *Star Legend* transits the Corinth Canal, Melissa Witsoe recommends rising early, grabbing an espresso up in the Yacht Club Café, and scoring a prime spot on the bow as you navigate the narrow limestone walls: “I felt as if I could reach out and actually touch them,” she says. Most cruise ships sail around the Peloponnese Peninsula to reach Western Greece, depriving travelers of the dramatic passage — and just one of the highlights of this history-rich voyage that, according to Melissa, “should be our best-selling cruise.” It’s a bold claim, to be sure; yet she makes a persuasive case, beginning with visits to six(!) UNESCO World Heritage Sites. (You can add a seventh with a pre-cruise hotel stay that’s walking distance of Athens’ Acropolis.)

IF I WERE THERE ...

- Slip through the Corinth Canal, a shortcut reserved for small ships like *Star Legend*, “with only meters to spare on each side!”
- Relish an exclusive Destination Discovery Event in ancient Ephesus — “A late departure allows plenty of time to explore

There are the Bronze Age ruins of Akrotiri; Delphi, whose storied oracle revealed the ancients’ fates; and Olympia, where the first Olympics were held — and the torch for every modern-day Games begins. The Greek gods Apollo and Artemis were said to be born at Delos, while the Celsus Library in Ephesus serves as backdrop to a private, white-gloved dinner exclusively for Windstar guests. “Listening to the string quartet as the sun set,

TRUE FAIRY TALES, MAGIC LIGHT

WORDS LIKE MOOR, LOCH, AND GEYSER were born in this land, because no existing vocabulary could adequately describe these extraordinary landscapes. These regions could just as easily have coined a term for Fabergé palaces of amber and gold, rainbows captured in a waterfall’s spray, and storybook cities crisscrossed by canals and flower markets, all of which are here in abundance. But as your elegant ship traces its way through enchanting fjords and forgotten archipelagos, you won’t need words. You are speechless.

FEATURED PORTS:

Heimaey Island, Iceland
Off the south coast of Iceland there's an archipelago called the Westman Islands, and the largest of these is Heimaey. The area is famous for its bird life, including the world's largest puffin breeding colony, but it's also known for its geology. In 1973, a volcano on the island erupted and hot lava threatened to consume the only harbor. Before evacuating, the locals sprayed seawater on

the advancing lava, stopping its advance and saving the harbor. Now reoccupied, the island offers a rare glimpse of the old town – a modern-day Pompeii.

Olden, Norway
Situated at the end of Nordfjord, this small town is perfectly set between glaciers and fjord. Stunning waterfalls and ice-green lakes await inland, along with 18th and 19th century churches. It won't take long to find a glacier to

FEATURED SHORE EXCURSIONS:

Aalborg: Aalborg Fjord Biking
For the outdoor-loving Danes, bicycles are both a fun and healthy physical experience and a sustainable form of transportation. Learn about the Danish way of life first-hand as you don a helmet and ride along the waterfront with the sparkling fjord on one side and Aalborg landmarks on the other. Pass Cloud City – a new arts complex built in the old aquavit factory – and Fjordbyen – a colorful former fishing

village that's now an eclectic arts community. Then stop for homemade cake and coffee at Vestre Fjord Park before making your way back to the ship.

Riga: Hiking in Kemer National Park & Latvian Moorland
Few tourists venture out to the national park at Kemer, but those who do are rewarded with one of Latvia's most impressive natural treasures. This diverse world of wetlands – raised bogs, fens, and

visit, and a trip to Birksdal Glacier comes with an unusual twist as you hitch a ride on "Troll cars" – 2-wheeled horse-drawn carts that have been in use for more than 100 years. Explore the fjord by kayak or RIB boat, feast on fresh crayfish cooked over an open fire, sip Olden mineral water – as close as you can get to a glacier on tap.

transitional bogs – was formed 8,000 years ago when the sea retreated. The park is home to many bird species such as black storks, sea eagles and corncrakes, as well as larger mammals including wild cattle and horses that are close to the aurochs and tarpans of old. *Or similar class hotel

Day 1 • Reykjavik, Iceland

The world’s most northerly capital enjoys almost 24-hour sunlight in summer, all the better to show off the city’s eclectic architecture and dazzling natural wonders. Your English-speaking guide and driver meet you at the airport and take you to The Grand Hotel near the city center. If you like, walk to the nearby Saga Museum to brush up on Icelandic history, or catch a peek of historic Hofdi House, site of the 1986 summit between Ronald Reagan and Mikhail Gorbachev that effectively ended the Cold War. Get a good night’s sleep, because tomorrow will be a busy one.

(Includes overnight at The Grand Hotel and airport transfer.)

Day 2 • Borgarfjordur & Husafell, Iceland

After breakfast, head to Borgarfjordur, 56 miles from Reykjavik. This region was the setting for most of the Icelandic sagas and you’ll learn some folk tales as you view the short, fierce rapids of Barnafoss Waterfall and the series of rivulets that form Hraunfossar Waterfall. After lunch, step into the dazzling, blue-hued Langjokull Ice Tunnels and marvel at the natural beauty of one of the most striking glacier caves in Iceland. Enjoy a 3-course dinner at your hotel before retiring.

(Includes overnight at the Hotel Hagar, breakfast, lunch, and dinner.)

Day 3 • Pingvellir National Park

Explore remarkable Pingvellir National Park after breakfast. This UNESCO World Heritage site is where the world’s oldest democratic parliament was founded in 930, and is also where the North American and Eurasian tectonic plates meet. Because of this unique geography, Iceland has magma close to the surface – one of the criteria required to produce geysers. See this in action at nearby Strokkur Geyser before lunch at Hotel Geysir. Next up is Gullfoss Waterfall, where icy water thunders down a double fall into a deep gorge. Travel to the small village of Fludir, home to the Secret Lagoon natural hot springs, then to the village of Stokkseyri for a dinner of local dishes before heading back to Reykjavik and The Grand Hotel.

(Includes overnight at The Grand Hotel breakfast, lunch, and dinner.)

Day 4 • Reykjavik to the Ship, Blue Lagoon

Breakfast at the hotel before seeing the sights of Reykjavik. Experience the Iceland of the past at the Open-Air Museum at Arbaer, take in panoramic views of the city from Perlan planetarium’s observation deck, and admire the skyline-dominating tower of Hallgrímskirkja church. Wrap up the day with an iconic experience – bathing in the famous Blue Lagoon – before heading to your waiting ship.

(Includes breakfast and transfer to ship.)

Day 5 • Heimaey Island, Iceland

Witness a world still in transition as we explore two lands – one created by a volcanic eruption and one nearly destroyed by one. As we circle Surtsey Island, a UNESCO World Heritage Site, you’ll get to see one of the newest islands on the planet. Surtsey rose from the sea in the 1960s and offers a unique opportunity to study how species colonize a virgin land. Next up, Heimaey Island. Back in 1973, Eldfell Volcano erupted without warning, swallowing much of the main town and turning the rest into a modern-day Pompeii.

Days 6/7 • Seydisfjordur, Iceland

Wind your way up the 11 mile-long Seydisfjord, a narrow, beautiful waterway surrounded by high mountains. At the head of the fjord is Seydisfjordur, a small, scenic town where cascading waterfalls seem to be everywhere. During our overnight stay you’ll have time to enjoy this beautiful part of the country and its unusual claims to fame, including a lake with a mythical “Ness” and Iceland’s largest national forest. Bird watchers won’t want to miss Skalanes Nature Reserve with its more than 45 bird species. Trekkers can make their way to spectacular Hengifoss Waterfall. Or simply stroll the quaint town of 700 with its colorful Norwegian kit-houses shipped in at the turn of the century.

Day 8 • Akureyri, Iceland

Akureyri nestles like a gem at the head of Iceland’s longest fjord. It’s just a stone’s throw from the Arctic Circle, yet it offers some of Iceland’s warmest weather and a rare ice-free harbor. It’s due to this strange geographic quirk that the town became a famous trading center under the Danes, and also accounts for the town possessing one of the northernmost botanical gardens in the world with a greenhouse that’s geothermically heated. Spend your day riding an Icelandic Horse across the Icelandic countryside, or go for a soak in the sky-blue Myvatn Nature Baths.

Day 9 • Isafjordur, Iceland

A breathtaking journey up Ísafjarðardjúp Bay precedes our arrival in Isafjordur, surprisingly urbane for a village of 2,600. Old Town’s 19th-century buildings take you back to the days of the tall ships, while the abandoned town of Hesteyri remains frozen in the 1940s. This is another great port for bird watchers as Vigur Island is teeming with puffins, eiders, guillemots and Arctic terns.

Day 10 • Grundarfjordur, Iceland

Viking sagas come to life here, as does Jules Verne’s tale *Journey to the Centre of the Earth*. You may share the inspiration to set pen to paper, but don’t feel bad if words fail you. The views defy description.

Day 11 • Reykjavik, Iceland

Disembark back in Reykjavik with its surprisingly vibrant local museum and art scene.

CRUISING ON THE ATLANTIC COAST

LONDON TO LISBON : 11 DAYS

St Peter Port, Channel Islands

MEET GRAEME

GRAEME COCKBURN

Corporate Executive Chef

Graeme Cockburn's illustrious career includes turns at the prestigious Gleneagles Hotel, the Royal Scotsman train, and Pompadour Restaurant in Edinburgh, which was named Scotland's top restaurant

during his tenure. Graeme trained under the Michelin-starred tutelage of Michel Guerard and Michel Roux, although his greatest inspiration was watching his grandmother cook while growing up in Perthshire. "During (World War II) she needed to be very thrifty, so making the most of basic local ingredients was key," he says. Graeme uses that same philosophy while planning menus for Windstar's fleet, giving his chefs license to create new dishes from whatever fresh produce they pick up in port. He also has been instrumental in the cruise line's collaboration with the James Beard Foundation. When he's not traveling the globe overseeing operations onboard the ships, you likely will find Graeme back in Scotland, whipping up something new from whatever he can find in his kitchen.

Bordeaux has some of the best markets in Europe, claims Graeme Cockburn, and depending on the day of the week, there's one right along the quay where *Star Legend* docks. "I can spend two, three hours just walking those few hundred yards, tasting the local delicacies," says Windstar's Executive Chef, who also

spends time searching out what he calls the city's "backstreet restaurants" that only serve a dozen or so people per meal. "These boutique places are really cooking off the cuff," he elaborates, "creating menus from whatever comes in fresh that day, bringing in different flavors. They expose you to the French thought process about food." So, how do the French view food? Graeme sums it up in a word: "Life. Their life is all about good food, a nice glass of wine, family and friends ... It's just a completely different culture."

That cultural shift is experienced each day of this culinary-focused voyage, from tasting

crisp ciders in Honfleur and freshly shucked oysters on Belle Ile, to pintxos (Basque tapas) hopping around Bilbao's Old Town and enjoying a smoky, decades-old port or spicy chouriço sausage in Porto. "You get to see all the flavors and textures changing as you head deeper into the Mediterranean," says the chef. Back on board, Windstar guests enjoy what the ship's chef bought in port that day, creating a sense of continuity that lasts long after the cruise ends. "It's all in the memory," says Graeme. "Those culinary experiences are captured in the brain. You'll always come back to those memories."

MEET TRAVIS

TRAVIS LA MARCHE

Operations Manager & Corporate Destination Manager Trainer

Travis is our Operations Manager & Corporate Destination Manager Trainer — a big title that basically means he supports our Destinations

Team at sea and our Product Managers in Seattle. It's a role he's well trained for with a decade of experience at sea and over 15 years of experience in the industry in a variety of areas from product development to public speaking. He's a good listener, too.

Number of Windstar itineraries sailed: "Too many to count! I've visited every region that Windstar currently sails." **Favorite thing to do onboard:** "Head up to the Yacht Club first thing in the morning for a coffee and to watch the ship's arrival into port. I also enjoy talking with guests out on deck in the morning and discussing their plans for the day." **Hobby:** "Riding my motorcycle and exploring different parts of the Canadian wilderness and the Pacific Northwest." **Favorite part of his job:** "My favorite part of my job is meeting and talking to guests, hearing why they love sailing with Windstar, and listening to their stories about past experiences and adventures."

While Travis La Marche has crisscrossed nearly all of Northern Europe, the North Atlantic region's dramatic topography always stops him in his trail boots. "These remote landscapes are actually quite distinct," he says, "with everything from lush greenery to barren volcanic terrain." There's the take-your-breath-away beauty of Norway's Geirangerfjord, a UNESCO World Heritage Site; and the rugged, wild Shetland with her miniature ponies and heather moorlands. It's here where you'll find Jarlshof, an amazing archaeological site with 4,000 years of human history on display; while hundreds of prehistoric monuments —

including the UNESCO-designated Skara Brae and Ring of Brodgar — lie sprinkled across the Orkneys' pastoral grazing lands. The Faroe Islands are even further isolated, leaving only nesting puffins and a few intrepid adventurers to admire Europe's tallest sea cliffs.

Amidst all this natural splendor sits lively Bergen, whose colorful, Hanseatic wharf earned UNESCO status; as well as the art nouveau town of Alesund, where Travis prefers to "just sit down in an inviting café and people watch." Add a few extra days in Reykjavik, he says, and you'll "fully experience some of the most beautiful, rugged areas in the world by land and by sea."

CLOSER TO THE SEA

TIME HANGS SUSPENDED LIKE THE MOON ABOVE. Pleasures linger like fine wine on the palate rather than being rushed along by the turbulence of daily life. You've never had days like this – free of obligation and with no ruler for success other than meeting your pillow with a smile. You've never seen stars like this – pushing back the abyss of space with impossible brightness. Progress is measured in intimate conversations, sunrises and sunsets, visits to the Bridge, a massage in the spa. There are magical ports on the horizon, yes, but your desire for haste has somehow dissolved away in a sea of serenity.

GENERAL CRUISE TERMS & CONDITIONS*

All itineraries, schedules, and ports are correct at time of publication but are subject to change without notice. “Windstar Cruises,” “Windstar,” “We,” and “Us” refer to Windstar Cruises Marshall Islands, LLC, a Limited Liability Company that owns and operates the cruise line known as Windstar Cruises. “You,” “passenger” and “guest” refer to persons travelling with Windstar and those in their care, such as minor children. Due to the small size and intimate nature of our yachts, Windstar Cruises is unable to accommodate children under eight (8) years of age. Guests under 21 years of age must be accompanied by a parent, guardian or chaperone in their stateroom or suite who is at least 25 years old; one adult (age 25 or older) chaperone is required for every five (5) people under 21.

Should you need to contact Windstar Cruises prior to cruising, use this address: Windstar Cruises, 2101 4th Avenue, Suite 210, Seattle, WA 98121, U.S.A.

PASSAGE CONTRACT: All cruises are provided subject to the terms of the Windstar Cruises Passage Contract, found at <http://bit.ly/2puTq7y> and which contains important, comprehensive additional terms governing your cruise with us including among other things limits on claims and liability, resolution of claims, etc.

CRUISE FARES: Your fare includes ocean transportation, stateroom or suite accommodations, and all meals and entertainment on board the yacht. Not included, however, are items of a personal nature, such as alcoholic beverages, laundry, transfers prior to or after your cruise, or optional programs or activities. Shore excursions and airfare are available for an additional charge. All rates shown are per person based on double occupancy. Fares are published in U.S. dollars (USD).

Note: Third-person rates are available upon request. For further information on fares, nondiscountable amounts, taxes, and surcharges, please see below.

SINGLES: Single occupancy of a stateroom is generally 175% of the published per person stateroom cruise fare (200% of the Owner’s Suite, Suites, and Bridge Suites per person cruise fares) and is subject to availability.

WINDSTAR FARE PRICE ASSURANCE POLICY: Guests who purchase a cruise on Windstar will be eligible for reimbursement upon request if the fare published by Windstar for their specific departure and cabin class is reduced after they have made a booking and deposit, and if the request is received by Windstar at least 90 days prior to sailing. The reimbursement will be provided in the form of a shipboard credit, upgrade, fare reduction, or a future cruise credit. Windstar will determine the form of reimbursement, and the amount of reimbursement will be the difference between the fare actually paid by the guest and the published fare on WindstarCruises.com the day the request is received. Guests who select reimbursement will be eligible for any complimentary inclusive features (e.g., hotels, air, tours) associated with the new fare and will forfeit any complimentary inclusive features associated with the original fare. All requests for reimbursement must be made directly to Windstar Cruises at 800-258-7245 (during regular reservations hours) at least 90 days prior to sailing. Windstar’s new fare pricing assurance policy took effect with new bookings August 15, 2018. Windstar reserves the right to modify or terminate this policy at any time for bookings not yet made. Policy does not apply to certain promotions or guests outside of the US or Canada.

RESERVATIONS AND PAYMENT: Windstar Cruises works with travel agencies worldwide to serve your needs. Reservations either made by or assigned to a travel professional must be managed by the agency of record. While Windstar is unable to provide specific booking information on agency bookings, we are happy to answer general questions. Alternatively, you may reserve your cruise directly with us if you prefer. Since accommodations are limited by the number of staterooms or suites on each yacht, reservations should be made as early as possible. Payment for your Windstar cruise is to be

made to the travel agency with which you made your reservation, or to Windstar Cruises directly. Travel documents will be issued when full payment has been received by Windstar Cruises. Refunds for cancelled or unused services will be made, less any applicable cancellation fees and charges. If you have reserved your cruise with your travel professional, please be aware that additional cancellation fees charged by the booking agency may apply.

DEPOSIT AND FINAL PAYMENT REQUIREMENTS: Deposit of 15% of cruise fare, hotel, and non-discountable amounts is required within three (3) days of booking to secure a reservation. Final payment is due prior to 90 days before departure date. Your travel documents are usually received approximately 60 days prior to departure. If booking directly with Windstar Cruises, send payments to Windstar Cruises, 2101 4th Avenue, Suite 210, Seattle, WA 98121, U.S.A. Payment is also welcome by American Express®, Discover Card®, Visa®, or MasterCard®. For faster processing, please include your confirmation number on your check. All charges are in USD. Windstar is not liable for any currency exchange rate or foreign exchange fee imposed by the bank or credit card company. **Payment of the cruise deposit and Travel Protection Plan (if applicable) constitutes a binding of the Terms & Conditions and acceptance of the Passage Contract.**

LATE BOOKING POLICY: On bookings within 45 days of departure, Windstar Cruises requires final payment (cashier’s check, electronic transfer of funds, or American Express®, Discover Card®, Visa®, or MasterCard®) before we can initiate the process of requesting hotel and/or air space; on bookings within 14 days of departure, we are unable to make air or hotel transfers or arrangements. Windstar Cruises will advise you of the status of the request within five (5) working days of receipt of final payment. If your request is confirmed, electronic tickets will be sent via email. If we are unable to confirm your late booking all monies paid will be refunded in full. Please note, changes or additions to the cruise package (i.e. transfers, special services, gifts, or onboard packages) cannot be made within seven (7) days of departure and should be arranged once you are on board the yacht.

CANCELLATION POLICY: Each cruise booking cancelled before 120 days prior to initial departure will be subject to a \$50 per person cancellation fee. A full refund (except for the amounts paid for air transportation, Cancellation Protection Plan and the \$50 per person fee) will be made for written cancellations received by Windstar Cruises at least 121 days prior to the date on which you are to commence travel by any mode of transportation booked through Windstar Cruises (air, sea, or land). Guests who cancel after that date for any reason, including medical or family reasons, are subject to the following cancellation fee schedule:

120-90 days before commencing travel – 15% of gross fare;

89-60 days before commencing travel – 35% of gross fare;

59-30 days before commencing travel – 50% of gross fare;

29-0 days before commencing travel – 100% of gross fare.

Given that the resale of cancelled space will likely result in a lost opportunity to sell other space, these fees are due regardless of resale. You agree that Windstar’s losses in the event of your cancellation would be very difficult if not impossible to determine, and that the cancellation fees above are a fair and reasonable estimate of Windstar’s losses. Windstar Cruises can only be responsible for refunding amounts actually received. Travel agencies may impose their own cancellation fees. Agency fees of any nature are a matter to be decided on solely by the agency and its customers. Windstar Cruises cruise tickets and Passage Contracts are non-transferable. Name changes and departure date changes are considered reservation cancellations/re-bookings and are subject to cancellation fees. Changes require the prior approval of Windstar Cruises and may not always be possible. Windstar Cruises cruise and

accommodations cancellation policies do not apply to airline reservations. Airline reservations changes require the prior approval of airlines and may result in change fees or may not be possible.

ADDITIONAL DEFINITIONS: “Yacht” or “Ship” refers to the vessel that will provide the ocean transportation portion of the cruise. “Cruise” refers to the specific cruise purchased by you, and shall include periods during which you are embarking or disembarking the Yacht or are on shore while the Yacht is in port. “Initial Departure” means the time at which you first begin transit by any means of transport booked by us (including air transportation) for the purpose of taking the Cruise. “Windstar Air Package” refers to air transportation booked for you by Windstar Cruises to enable you to travel to and from your Cruise. “Windstar Land Package” includes any shore activity before or after the Cruise or ashore during the Cruise arranged for you by us in connection with your Cruise.

PROHIBITED ITEMS; DRUG & ALCOHOL RESTRICTIONS; BAGGAGE:

The following are strictly prohibited on the Ship and during all aspects of the Cruise, Windstar Land Package and shore excursions: radioactive materials, recreational and medicinal marijuana and other controlled substances under USA law (see United States DEA Drug Schedules at www.dea.gov/druginfo/ds.shtml) or any under any foreign jurisdiction the Ship enters (except lawfully obtained and transported prescription drugs other than marijuana), firearms, ammunition, weapons, fireworks, aerial drones, illicit or hazardous materials, hand irons, water heaters and candles. Passengers are allowed to bring aboard two (2) bottles of wine or champagne (750ml) per cabin for their enjoyment onboard for a 7-day Cruise or three (3) bottles for an 8-day (or longer) Cruise. Passengers may consume these permitted outside beverages in public areas on the Ship, but a small corkage fee (approximately US\$15 + 15% gratuity) will be applied to the passenger’s onboard account. All additional outside alcohol (meaning wine, beer and/or hard alcohol) including alcohol purchased at ports of call along the Cruise route, will be kept by the Ship’s purser and delivered to the passenger’s cabin the last evening of the Cruise. We will carry as baggage only your personal effects consisting of wearing apparel, toilet articles and similar items for your wearing, comfort or convenience during the Cruise and not belonging to or intended for use by any other person or for sale. For loading and unloading the Ship and other means of transportation, all baggage must be tendered for carriage in securely constructed and locked suitcases or trunks. All baggage must be able to be safely stowed in your cabin on the Ship. The only animals permitted to accompany you are recognized service dogs for passengers with disabilities; you are responsible for complying with governmental health, documentation and other requirements as to recognized service dogs.

We do not accept to carry as baggage or assume any liability for any loss of or damage to or delay of trade goods, household goods or furniture, perishable items, medicine, liquor, cash, credit or debit cards, jewelry, gems, gold, silver, precious metals, art, collectibles or similar valuables, securities, financial instruments, records or other valuable or business documents, computers, cellular telephones, cameras, hearing aids, electric wheelchairs, scooters, or other video or electronic equipment, binoculars, film, videotape, computer disks, audio disks, tapes, DVDs or CDs, or other articles specified in 46 U.S. Code Section 30503. These items should not be left unattended about the Ship or your cabin, nor should they be left unattended on other vessels, railcars, taxis or other vehicles or in hotels, nor placed in luggage other than a bag that you carry with you. In addition, we do not assume any liability for any loss of or damage to carry-on baggage on the Ship or on the other means of transportation or in hotels. The Ship and certain hotels may be equipped with cabin or room safes or safe-deposit boxes in the Ship’s or hotel’s Front Office; using these facilities will not, however, increase our liability as provided in the Passage Contract.

NON-WINDSTAR CRUISES SERVICES; ITINERARY CHANGES: These include non-Windstar Cruises Services such as airlines and other off-ship transportation carriers, shore excursions (other than the limited number of shore excursions operated by Windstar), and accommodations. Non-Windstar Cruises Services are solely at your risk and subject to the terms or arrangements made by you. Windstar Cruises assumes no responsibility with respect to these non-Windstar Cruises Services including delay, injury, death or damage to property. Situations may arise that, in the opinion of Windstar Cruises, make it necessary for Windstar Cruises to cancel, advance, or postpone a scheduled departure, change itineraries or make substitutions involving ports of call, other travel components, vessels, or other modes of transportation. These situations may include, by way of example, concerns regarding weather conditions, issues involving safety matters, alternative business arrangements or charters resulting in the decision to withdraw a Cruise from public sale, or requirements of governmental authorities. If this should occur, Windstar Cruises does not assume responsibility or liability for any losses, inconvenience, or expenses incurred by guests as a result. Please see the Windstar Cruises Passage Contract for further details.

PASSENGER CONDITION & PASSENGERS WITH DISABILITIES: There are risks inherent to being aboard a Ship. These include, by way of example, having to evacuate the Ship in case of emergency, having to move about on the Ship during rough seas and lack of access to full medical services. For people who are pregnant, ill or who are mentally or physically disabled or impaired, these risks are more significant. For example: access to all parts of the Ship, other means of transportation or to facilities on shore may be difficult or impossible for some passengers. In addition, medical evacuation during the Cruise, whether at sea, by tender, or by deviating from the scheduled itinerary, may create an increased risk of harm and may not be feasible for a variety of reasons. We reserve the right to determine, in our sole discretion exercised in good faith, whether and when a medical evacuation from the Ship will occur. For safety reasons, passengers may not book or embark upon a Cruise if the passenger may reach or exceed the 24th week of pregnancy during the Cruise.

Guests who need assistance and/or have special requests, or need special facilities or equipment with regard to accommodation, seating or services required or their need to bring medical and mobility equipment, must notify Windstar immediately and where possible before concluding their booking. This is to ensure that everyone can be carried safely and in accordance with all applicable safety requirements and to ensure that Windstar can provide the necessary assistance and there are no issues relating to the design of the Ship or port infra-structure and equipment – including port terminals – which may make it impossible to carry out the embarkation, disembarkation or carriage of guests in a safe or operationally feasible manner.

Windstar is not obliged to provide any assistance or meet special requests unless it has agreed to do so in writing. If a guest cannot be carried safely and in accordance with applicable safety requirements then Windstar can refuse to accept the guest or embarkation of a disabled person or person with reduced mobility on the grounds of safety. For these reasons, we require that if you have any special medical or physical or other requirements, these be brought to our attention immediately and, where possible, before booking the Cruise. Any prospective passenger with disabilities or special needs must complete a special request form at <https://bit.ly/2YGmPvy>.

*For passengers who book cruises through a UK or EU travel advisor, a modified version of these terms and conditions will apply, referred to as the Conditions of Carriage, as provided by your travel advisor.

GENERAL CRUISE TERMS & CONDITIONS*

continued

You may be asked questions in order to ensure your safety. In limited situations where you would be unable to satisfy certain specified safety and other criteria, even when provided with appropriate auxiliary aids and services, we reserve the right to refuse permission to participate in all or part of the Cruise.

There are no elevators on *Wind Star* and *Wind Spirit* nor were these Yachts originally constructed to be wheelchair accessible and do not have accessible cabins. As a result, these two Yachts may be unsuitable for people relying solely on mobility devices. *Wind Surf*, *Star Pride*, *Star Legend*, and *Star Breeze* are equipped with elevators, although some of the passenger common areas are not wheelchair accessible. Staterooms on *Wind Surf* are not wheelchair accessible. Four (4) suites on the all-suite Yachts (*Star Breeze*, *Star Legend* and *Star Pride*) provide limited access for wheelchairs. These cabins have a smaller Queen bed and there is reduced “wheel around” space in those cabins. Also note, there is no elevator access to board any of the Ships. Certain ports require the Ships to anchor; in this case guests must be ferried into port requiring guests to board a tender boat or rubber inflatable raft (“RIB”) from the Ships while at sea. A list of ports where tenders or RIBs are used is available at <http://bit.ly/2IGrGWd>. This list is not exhaustive.

Those passengers confined to wheelchairs must furnish their own slim or low profile size wheelchairs which are less than 27 inches wide. The Ships’ wheelchairs are available for emergency use only. Larger, wider or motorized wheelchairs or scooters are generally too large to be accommodated on the Ships. Wheelchairs may be difficult to accommodate in embarkation and disembarkation in certain ports and in tenders. The decision of the officer in charge of tender operations as to whether wheelchairs can be accommodated is final. For reasons of health and safety the crew are forbidden from carrying passengers or passengers in wheelchairs. Wheelchairs cannot be transported in RIBs. In limited situations where an individual with a disability would be unable to satisfy certain specified safety and other criteria, even when provided with appropriate auxiliary aids and services, we may find it necessary to ask the individual to make alternative travel arrangements.

Guests must be physically and emotionally fit to travel at the time of embarkation and certify that they have no medical or emotional condition that would endanger any other passengers. Windstar recommends that any guest who is not self-sufficient travel with a companion who shall take responsibility for any assistance needed during the Cruise and in case of emergency.

Windstar reserves the right to require any passenger to produce medical evidence of fitness to travel in order to assess whether that passenger can be carried safely in accordance with applicable international, US, or Canadian law.

Windstar reserves the right to refuse passage to anyone who has failed to notify it of their specific needs with regard to accommodation, seating or services required from Windstar or terminal operators, or their need to bring medical equipment, or to bring a recognized service dog on board the Ship, or of any other known disabilities, or who in Windstar’s and/or the Master’s opinion is unfit or unable to travel, or anyone whose condition may constitute a danger to themselves or others onboard on the grounds of safety.

Animals and/or pets other than recognized service dogs are not allowed on board the Ship under any circumstances without Windstar’s permission in writing. Recognized service dogs are permitted on board the Ship if prior arrangements have been made at the time of booking. Companion animals and emotional support animals are not allowed on board the Ship. Any such animals or pets brought on board without permission will be taken into custody and arrangements will be made for the animal to be landed at the next port of call at the passenger’s sole expense.

Recognized service dogs are subject to and must comply with national, international and EU Regulations regarding health, inoculations, training and travel. It is the passenger’s responsibility to have all necessary papers and clearances prior to the Cruise and to be satisfied that the service dog can be carried to the ports of embarkation and disembarkation and that the service dog is not prohibited from going ashore at the various ports of call.

Please see Windstar’s accessibility page for more information for guests with disabilities at <http://bit.ly/2IGrGWd>.

FARES, NON-DISCOUNTABLE AMOUNTS, TAXES, FEES, PORT EXPENSES, AND SURCHARGES: Windstar Cruises reserves the right not to honor any published prices that it determines were erroneous due to printing, electronic, or clerical error. Each Cruise fare includes a Non-Discountable Amount. That portion of the fare is both non-commissionable to travel professionals and not subject to reduction in the event of a percentage discount promotion, 2-for-1 promotion, or otherwise. If cost factors dictate the need for fare increases, Windstar Cruises may do so at any time prior to departure. Guests can cancel (without paying a cancellation fee) rather than accept a fare increase. Suggested onboard gratuities are extra.

Taxes, Fees & Port Expenses, as used by us, may include, without limitation, all or a portion of all fees, charges, tolls and taxes imposed on us by governmental or quasi-governmental authorities, as well as third party fees and charges arising from a vessel’s presence in a harbor or port. Taxes, Fees & Port Expenses may include U.S. Customs fees, head taxes, Panama Canal or other canal tolls, passenger facilities charges, dockage fees, wharfage fees, inspection fees, pilotage, air taxes, hotel or VAT taxes incurred as part of a land tour, immigration and naturalization fees, and Internal Revenue Service fees, as well as fees for navigation, berthing, stevedoring, baggage handling/storage and security services. Taxes, Fees & Port Expenses may be assessed per passenger, per berth, per ton or per vessel. Assessments calculated on a per ton or per vessel basis will be spread over the number of passengers on the Ship. Taxes, Fees & Port Expenses are subject to change (but will not change after assessment due to currency fluctuations) and we reserve the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full. Windstar Cruises reserves the right to impose or pass through fuel surcharges, security surcharges, or similar incidental surcharges. No right of cancellation exists under these circumstances.

YACHTS OWNERSHIP AND REGISTRY: All Windstar Cruises Yachts are registered in the Bahamas and owned by Windstar Cruises Marshall Islands, LLC. Yacht ownership and registry are subject to change.

TRANSFERS/PRE- & POST-CRUISE SERVICES: Services for Windstar Cruises cruise-only guests (individuals who do not purchase air transportation or cruise extensions from Windstar Cruises) begin with embarkation at the noted time in your Cruise documents. Any transfers, meals, and dayroom accommodations required prior to this time are the responsibility of the guest. Please make a note of this, as many international flights arrive several hours prior to the scheduled embarkation time. Guests may purchase a transfer from local airport to yacht for day of cruising and from yacht to local airport for day of disembarkation directly through Windstar Cruises Vacation Planning. Guests flying on dates other than the date of (dis)embarkation must arrange their own transfers unless the reason for the different date is because of the purchase of a cruise extension from Windstar Cruises. Transfers for these guests will be arranged between airport, hotel, and pier, as appropriate, so long as the transfer dates coincide with the dates of the services purchased from Windstar Cruises.

SHIPBOARD ACCOUNT AND CURRENCY EXCHANGE: Our cashless society is designed to make your life on board as simple as possible. When you board the Yacht, your account has already been activated and you may make purchases by simply showing your guest identification card and signing a receipt. On embarkation day, you will need to register your credit card (Visa®, Discover®, MasterCard®, or American Express®) in order to use your onboard account for shipboard purchases. We do not accept debit cards or prepaid cards. Your card will be pre-authorized for USD \$60 per person for each day of your Cruise. At the end of your Cruise, you will receive a final statement, and your card will be charged only for the actual amount of your purchases.

Please inform your credit card issuer in advance that your card will be used on a Windstar Yacht. This will help prevent delays in obtaining pre-authorization on board. Products and services on board are in USD. Windstar is not liable for any foreign exchange fees imposed by your card issuer. There are no currency exchange services offered on board.

WINDSTAR AIR PACKAGE ARRANGEMENTS BY WINDSTAR CRUISES MARSHALL ISLANDS, LLC: If you are purchasing a Windstar Air Package, we will arrange for air transportation to the departure point of your Cruise and return air transportation from the termination point of your Cruise to the home city from which you departed. Due to the special fares and capacity controls we have with airlines, we retain the right to select carriers and determine routings. Some routings may involve travel to or from an airport other than in the city where the Ship embarks or disembarks. In those cases, motor coach transportation to and/or from the Ship will be provided. Flight schedules and/or availability may require overnight hotel accommodations either to join and/or to return from your Cruise. Due to airline schedules (and occasionally, lack of flight availability), travel between many major cities and your Cruise may require one (1) or more hotel overnights en route. If necessary, the cost of this hotel accommodation is not included in the airfare and is your responsibility. Hotels will be selected by Windstar Cruises and might not be at the port. You are responsible for meals and items of a personal nature.

SCHEDULE CHANGES; AIR DELAYS: We reserve the right to alter air flights as required by airline schedule changes. If tickets have already been issued, we will adjust your itinerary or air carrier, accordingly. In that event, we may ask you to return your tickets. Should you choose to alter your airline schedule in any way once your tickets have been issued, airline charges which result will be your responsibility. If our assistance is requested in changing airline arrangements within sixty (60) days of departure, an additional administrative charge will be levied in addition to any charges imposed by airlines. If your flights are delayed, refer to our Setting Sail booklet for instructions.

SEAT ASSIGNMENTS; SPECIAL SERVICES; FARES; LOST TICKETS; BAGGAGE CHARGES; AIR TAXES AND FEES: We cannot make or confirm seat assignments, special meals or other special services. Your travel agent may assist with these arrangements. If, however, airline fuel or other surcharges or additional governmental taxes or levies are imposed, we reserve the right to pass these through to you. Please keep your airline tickets in a safe place. Should they be lost, you will be responsible for their replacement. Each airline has its own baggage allowance policy. You are responsible for any excess baggage charges imposed by airlines. Air add-on costs quoted by Windstar Cruises will not include passenger facility charges, federal flight segment taxes for each flight segment (takeoff and landing), the September 11 security fee per passenger enplanement, international arrival and departure taxes assessed in foreign countries (the amount of which may be charged in the currency of the foreign country and is subject to change), or new taxes which may be enacted.

LIABILITY AND RELATIONSHIP WITH AIRLINES: We will use commercially reasonable efforts to arrange for your air transportation. If, however, due to any cause beyond our control, we are unable to arrange for air transportation (including, for example, because of capacity controls placed upon us by airlines due to the types of fares under which we book) or the air transportation we arrange is unavailable or otherwise fails to materialize, our sole liability will be limited to refunding the air add-on paid. Our relationship with airlines is that of an independent travel agent. We assume no liability for any acts or omissions of any airline including, without limitation, those involving cancellation of flights, schedule changes, re-routings, damage to or delay or loss of baggage, flight delays, equipment failures, accidents, pilot or other staff shortages, overbooking or computer errors. Accordingly, you will not have any right to claim or recover against us as a consequence of any act or omission of any airline. The liabilities and obligations of an airline to you, and your rights against an airline, are subject to any and all terms and conditions of the airline’s ticket and tariffs and any and all governmental laws and regulations bearing upon or otherwise relating to such rights, liabilities and obligations.

LIABILITY AND RELATIONSHIP WITH WINDSTAR LAND PACKAGE PROVIDERS: If, due to any cause beyond our control, we are unable to arrange for any Windstar Land Package or any desired portion thereof, our sole liability will be limited to refunding the Windstar Land Package add-on paid. Our relationship with providers of Windstar Land Package accommodations or services is that of an independent travel agent. We assume no liability for any acts or omissions of any Windstar Land Package provider or subcontractor including, without limitation, cancellation, damage to or delay or loss of baggage, delays (including any delay in rejoining the Ship or missing the sailing or any flight), equipment failures, accidents, staff shortages, overbooking or computer errors.
