WINDSTAR KNOWS THE WAY TO ALASKA THIS SUMMER

SIGNATURE
WINDSTAR
EXPEDITIONS

Private kayak and Zodiac tours, led by one of eight onboard Expedition Guides, launch directly from the yacht's Watersports Platform for intimate and authentic adventures!

It seems a bit ironic, perhaps, that the best way to see a state as large as Alaska is by small ship; a small ship with just 312 guests. But that's the only way to explore the most authentic corners of The Last Frontier, and the most authentic way to follow in the footsteps of independence-loving pioneers.

See this land from ground and sea level, not looking down on it from several stories high, or miles away. Step off *Star Breeze* and into your kayak, Zodiac, or right onto the pristine Alaskan shore to begin your unforgettable adventure, led by our eight Expedition Guides. These guides are on board for the full length of your voyage, ready to share valuable insights and provide answers to questions on marine biology, botany, history, glaciology and more.

You'll enjoy more port calls than most other cruise lines, unparalleled up-close scenic cruising of glaciers and the Inside Passage, and the perfect combination of small ship and big adventure.

Our yachts may be small, but our Alaska adventures are anything but. Come with us and see a different Alaska this summer.

With this special offer, now is the perfect time to book your summer Alaskan adventure, but hurry – voyages are selling fast! Book by July 15, 2022.
